From The Secretary

July is here, and we are in the middle of summer. Just a reminder to those who have not paid their dues yet, please do so because we will not meet our charitable obligations without you. Remember, this is your Lodge and I hope you are coming down and enjoying it. If you are not able to come down, please contact me. I want to know why and if you are having any issues or problems I want to help. As chairman of the membership and lapsation committee, it is my job to keep our members and I am unable to uphold that position if I do not hear from the members.

Becky Schmitz
Lecturing Knight

Hi, my name is **Becky Schimitz**, and I am your Esteemed Lecturing Knight.
I joined the Elks in September of 1999 in Westminster. I transferred to Northglenn in 2007. I have been an Elk Brat for as long as I can remember. My Dad is a Past District Deputy and Past State President from Westminster #2227, and my brother is also a member of Westminster. My Grandpa is a PER of Carlsbad, New Mexico Lodge #1558. Since growing up in the Elks I have many friends across the State and the Country. I enjoy being a Word and Computer Judge for the Ritual, attending Quarterly meetings and hospitality rooms and visiting other Lodges, and working on many committees. I am also the District Chairman for Youth Activities, and have held the positions of Secretary, Chaplain and am currently Vice President of the District Workshops.

Hi, My name it **Terri Huffman**, and I am the Tyler of the Lodge.
I have a long history here at the Northglenn Elks. My husband, Past Exalted Ruler Rick Huffman became a member in 1989. While he was going through the chairs I worked as an Auxiliary Officer and served as President in 1993. I became an Elk in 1996. I love being a member of this great Lodge!
NOTE: Terri Huffman was the president when the Auxiliary voted to assist the Lodge with the repayment of the promissory notes against the Lodge. Thanks to the hard work of Terri and her team the notes against the Lodge have been retired as has the debt against the Lodge.

Terri Huffman

PER Nancy Geist
Lodge Chaplain

Hi, My name is **Nancy Geist,** and I am the Lodge Chaplain.
For those of you that don't know me, I had the honor of being your Exalted Ruler last year. My husband, Bob, joined our Lodge in 2001, and I followed a short time later. This year it is my privilege to serve as your Chaplain. If there is anything that I can do for you or your family, please give me a call, or talk with me at the Lodge.

NOTE: Please contact Nancy in the event of an illness or loss in your family. We also would like to share in the joy of a new arrival or if a good turn of events happens your way. Please feel free to contact Nancy as our thoughts and prayers are always with our brothers, sisters and their families.

Memory Lane

We had a very special guest visit our Lodge. Jim Carmichael (Grandson of Jim and Mary Steers) stopped in.

Jim Steers was one of our founding fathers and was the first ER of our Lodge. The Northglenn Elks was in fact first dreamed up in his basement. We pulled out the Lodge's first scrap book and had a great time going through it's memories with his grandson. Jim's scrap book is here at the Lodge along with many others. One of these times while at the Lodge, feel free to brows through them and see how our Lodge has been shaped and grown throughout the years. You might be surprised at some of the faces you will see.

Clem Audin Report

Inside our front door there stands a large jar
It's purpose is helping school children, both local and far
It may help your neighbor, your child or niece,
It may help a stranger you never will meet.
So next time you drop by
Please be sure to look,
At the jar named Clem Audin that's there in the nook
Cash is just dandy and silver is sweet.
But simply with pennies this goal we can meet.
So lets fill it with copper as fast as we can,
And show our support for the Clem Audin Plan.
Thank you
Terri Huffman

A message from the Leading Knight

Hello again and welcome to our summer months! Seems a little odd to be discussing fall events so early but it is necessary. After talking to several of our long term members and the current Officers we've decided to take the Charity Queen elections "old school" this year. Several years ago the Charity Queen was not elected by popular vote but by the amount of food, clothes and money she could raise in the months before the Ball. Any and all donations were welcome, and the decision was made by weight and cash total. Charity Queen should be a title of honor and we intend on making it that again. We ask that your nominations be in by the first week of August. The nominees will have until the week before the Ball to raise money and get other donations. There will be no voting the night of the ball, if you wish to donate cash to your favorite candidate in lieu of voting then please do so. We hope to raise lots of money and donations for the Christmas Baskets and our other Charities this year and have fun at the same time. Please either leave your queen nominations behind the bar or give them to me!!

Troy Young
Leading Knight.

Thought for the Month...

Friendship is made on a daily basis and should be cherished. It is golden and carried with you forever. Remember our faults are written in the sand, Our virtues are carved upon the tablets of love and memory.

For Your Convenience

We now have an ATM located in the Lounge area of the club for your convenience. There is a $1.50 charge for each transaction. The ATM is available during normal operating hours of the Club

Don't forget to.....
stop by the Lodge
And get your early bird
Purchase your first drink,
and get your second one free
Don't have an early bird card?
Ask how to get one for next year !!

Structure of the Elks

As seen through the eyes of one Officer…

Exalted Ruler: Leaps tall buildings in a single bound. Is more powerful than a locomotive. Is faster than a speeding bullet. Walks on water. Talks with God.

Leading Knight: Leaps short buildings in a single bound. Is more powerful than a switch engine. Is just as fast as a speeding bullet. Walks on water if the sea is calm. Talks with God.

Loyal Knight: Leaps short buildings with a running start and favorable winds. Is almost as powerful as a switch engine. Is faster than a speeding BB. Walks on water on a indoor swimming pool. Talks with God if special request is approved.

Lecturing Knight: Barely clears a Quonset hut. Loses a tug of war with a locomotive. Can fire a speeding bullet. Swims well. Is occasionally addressed by God.

Esquire: Makes high marks on wall when trying to leap buildings. Is run over by a locomotive. Can sometimes handle a gun without inflicting self-injury. Dog paddles. Talks to animals.

Chaplain: Runs into buildings. Recognizes locomotive two out of three times. Is not issued ammunition. Can stay afloat with a life jacket. Talks to walls.

Inner Guard: Falls over doorstep when trying to enter a building. Says, "Look at the Choo-Choo". Wets him self with water pistol. Plays in mud puddles. Mumbles to him self.

Secretary: Lifts buildings and walks under them. Kicks locomotive off of the track. Catches speeding bullets in his teeth and eats them. He is God.

Some of the above mentioned tasks have been brought under review and are subject to change but for now, this is pretty much the way it is.
