2008-09 ANNUAL REPORT

Dear Friend:

Like all of you, I am a part of my community. We Elks are woven into the fabric of the towns in which our Lodges are located. And, many of us and our Lodges strive to support our communities through the Elks National Foundation's Community Investments Program and our own commitment to serve others. This annual report illustrates many of our efforts.

Given the current economic environment, however, we all recognize that times are especially tough for so many of our neighbors and friends. The stock market has nosedived. Retirement nest eggs have largely evaporated. Bankruptcies are cropping up like dandelions in my yard. Stories about foreclosures and the jobless dominate the evening news.

Sadly, all these problems have taken a personal toll throughout the country: Many people have lost their jobs. For others, it is difficult to put food on the table. For many young people, the dreams of college have vanished because they can't afford tuition, books and housing.

I know that as individuals and as Elks Lodges, we are all asking: What more can we do to extend a helping hand to people in need? While we all diligently write our checks to pay our dues, it's appropriate in these hard times to also ask: Have I really paid my dues—and lived up to my obligations as an Elk?

I urge you to discover what more you and your Lodges can do to make a difference. Can you volunteer at the local food bank to help the increasing numbers of hungry people? How can you assist the homeless in your community? How can you inspire local kids to plan for—and dream about—college and other opportunities?

As a 14-year member of the ENF Board of Trustees, I will be retiring after this year's Grand Lodge Convention in Portland. Throughout my tenure, I have lived the ENF mission of "Helping Elks Build Stronger Communities." As a member of the Board, I've seen firsthand how the ENF helps us give back through the Community Investments Program. These efforts demonstrate that Elks can do great things within—and for—the places where we live and work.

In these unprecedented times, if you look around carefully and with open hearts, you will find many more ways to truly "pay your dues." As Elks, now is the time for us to take the lead and to seize those opportunities.

Sincerely,

PGER Lester C. Hess, Jr.
Member, ENF Board of Trustees 1995-2009

ELKS LODGES RESTOCK AMERICA'S PANTRIES TO END HUNGER AND RESTORE HOPE

Out of every eight Americans, one person is not getting enough food to sustain a healthy lifestyle.

Today, for almost 40 million people across our nation, hunger is a reality.

And in the current economic crisis, these statistics and the lives of many people across this country—and in your own communities—will only get worse.

According to a recent survey conducted by Feeding America, the nation's largest hunger relief organization, food banks have seen a 30 percent increase in requests for assistance during this economic downturn. This increase in requests, combined with a decline in donations, has caused a crisis for many food banks: 72 percent now report they can no longer adequately meet demand.

EMERGENCY RESPONSE

Fortunately for many communities, their local Elks Lodges have stepped up to help tackle the hunger problem and provide food to those in need.

By building on existing relationships and creating new ones, Lodges have become a major source for donations and for volunteers to assist their local food pantries. Eager to do more than just make a donation, 15 of the 45 Lodges that received 2008-09 Impact Grants focused their efforts largely on creating or expanding food distribution programs to help feed the hungry and give back to their communities. A sampling of such efforts nationwide includes:

LODGE
2484

As part of its "Catch the Spirit" Program, Rancho Cordova, Calif., Lodge No. 2484 served more than 600 military families and 200 veterans.

► **Rancho Cordova, Calif., Lodge No. 2484:** Distributed more than 1.5 million cans, boxes and bags of produce to military families and veterans as part of its "Catch the Spirit" program.

► **Bridgeport, Conn., Lodge No. 36:** Provided monthly meals and care packages to the residents of Homes for the Brave, a transitional shelter for homeless veterans.

► **Jupiter, Fla., Lodge No. 2469:** Delivered more than 200 holiday dinners to local needy families.

► **Cleburne, Texas, Lodge No. 811:** Ensured that residents of the local family crisis center received one nutritious meal and one snack each day.

The impact of these programs is significant both to provide immediate assistance and to open the way to a more positive future for those in need.

FROM FRUIT TO FISH

As a longtime supporter of the local food pantry, the Elks of Greater Wildwood, N.J., Lodge No. 1896 knew that their Impact Grant provided a perfect opportunity to expand that partnership, especially in these tough economic times.

LODGE 1896

Lodge No. 1896 delivered and distributed fresh produce to the First Call or Help Food Pantry in Wildwood, N.J. The donation assisted those in need in the area, and increased Lodge membership and volunteerism.

"Fresh produce, like many other necessities, is becoming prohibitively expensive for our clients," says Suzanne Nardi, executive director of the local United Way.

This need pushed the Greater Wildwood Elks to apply for an Impact Grant to provide fresh produce on a regular basis to the pantry's clients.

"There are always people who need a little help, but now more than ever, the need is overwhelming," explains PER Gordon Jones. "We provide a helping hand when it is needed."

The Elks of Carlinville, Ill., Lodge No. 1412 truly believe in the old adage that if you give a man a fish, he will eat for a day, but if you teach him how to fish, he will eat for a lifetime.

Inspired by this belief, the Lodge is using its Impact Grant to host classes for food pantry clients to teach them how to create nutritious meals on a budget. Impact Grant funds also supply nutritious food items to the pantry.

Since the food pantry provides families with many of the same staples each month, classes will focus on recipes that rely on these items and feature tips on how to stretch meals in a nutritious manner.

GET INVOLVED

In addition to putting Impact Grants to work to help local food pantries, Lodges can also consider other ways to provide assistance, including:

- ▶ Host a drive at your Lodge to collect canned foods to donate to area organizations.
- ▶ Use a Gratitude Grant, if the Lodge has met its GER's per-capita goal, to donate \$500 to the local food pantry, which, in turn, can purchase needed food items for distribution.

LODGE 28

Wheeling, W.Va., Lodge No. 28 provides weekly meals, along with homework help, for youth and families in their community.

To help feed the hungry or meet other needs in your community, encourage your Lodge to apply for an Impact Grant. These competitive grants worth up to \$10,000 can make a big difference. Start today to truly pay your dues and give back to your community and those in need. Visit www.elks.org/enf/community.

ENF GRANTS ENABLE LODGES TO MAKE A POSITIVE DIFFERENCE

Through the Community Investments Program, the Elks National Foundation (ENF) will invest up to \$1.375 million this year in local communities through Gratitude Grants, Promise Grants and Impact Grants.

LODGE 248

By constructing ramps for elderly and disabled adults, Wausau, Wis., Lodge No. 248 gives them new and welcome accessibility.

In the 2008-09 fiscal year, the ENF awarded 45 Impact Grants worth up to \$10,000, including 14 renewal grants, to help Lodges make a difference in their communities. Here's just a sample of the impact that these Lodges have made:

- ▶ **St. Augustine, Fla., Lodge No. 829:** Organized a "Kids Fit Club" to educate children about healthy lifestyle choices. It's a move designed to address the problem of more than 9 million American children who are overweight.
- ▶ **Ashland, Ky., Lodge No. 350:** Established an after-school program for at-risk students, helping to drop truancy levels some 1.9 percent.

▶ **Opelousas, La., Lodge No. 1048:** Hosted 34 children from the Boys and Girls Club on a field trip to the World War II museum.

▶ **Toms River, N.J., Lodge No. 1875:** Gained five new members from its Impact Grant project.

▶ **Coos Bay, Ore., Lodge No. 1160:** Assisted more than 50 disadvantaged students with weekend snack packs.

▶ **New Braunfels, Texas, Lodge No. 2279:** Offered free dental services to 43 area patients.

▶ **Wheeling, W.Va., Lodge No. 28:** Served 880 weekly dinners—and homework help—to area youth and their families.

Gratitude Grants of up to \$500 enable Lodges to support local charitable causes. Promise Grants offer Lodges up to \$500 in reimbursement to host events that build the character and competence of local youth.

The ENF awards Impact Grants to assist Lodges in making a meaningful and visible impact on their communities by starting new projects or strengthening existing efforts in order to address unmet needs. Projects must include significant Elks involvement.

All Lodges are eligible to apply for Impact Grants. They are competitive and funding is limited, so only a select number of Lodges will receive the grants. In 2008-09, the ENF awarded 45 grants out of more than 150 applications.
