

SALUTE TO VETERANS

The cool rain did not dampen spirits in Sun Valley on Saturday, September 26th. This was ***Salute to Veterans Day*** for the Sun Valley Spartans.

As a part of their activities, the Charlotte Elks Lodge in conjunction with the local American Legion, Veterans of Foreign Wars, and the Sun Valley JROTC Unit performed their Flag Day Service before all four of the football games.

The Spartan Cheerleaders had large flags on hand where those in attendance were able to write messages to our brave men and women serving overseas. The Charlotte Lodge took responsibility for those flags and, together with other items collected, sent them to units serving in the Middle East. The members of the Charlotte Lodge also had a tent set up to distribute Drug Awareness literature to the families who came to attend this event.
