EXALTED RULER'S MESSAGE

Greeting Fellow Elks,

May was a great month at our lodge. We honored our mothers with a Mother's Day Brunch and our Mother's Day Ceremony. There was a great turnout for the brunch! Our staff really out did themselves to provide us all with a wonderful meal. A week later the Rolling Thunder Motorcycle group came through our parking lot to hold a brief ceremony at our Fallen Heroes Memorial. It is always a pleasure to host this group of men and women as they pay tribute to our service men and women who have paid the ultimate sacrifice for our country. I would like to personally thank every member and guest who came out to welcome this dedicated group. This is truly what Elkdome is all about. Later that day there was a group of members and spouses that boarded a bus to the Tigers game. From what I'm told we had a GREAT time!!!! We were also mentioned in the Oakland Press on Sunday, May 9th regarding our hosting the Marine's dinner in March. If you were here you would remember how great it was to be an Elk that night! There was quite a large group of our members who attended the Michigan Elks Spring Convention in Sault Ste. Marie in May at the Kewadin Casino. 1 hotel room - \$85.00 per night, State President's Dinner - \$25.00, watching our Ritual Team compete in the state completion - PRICELESS! Thanks to all of you for your hard work! Due to the fact that I have to submit this article before the convention I am not able to report of the results of the competition. Look for a sign in the lobby of the lodge announcing the results.

I would be remiss if I didn't mention how proud I was to lead our Elks in the Waterford Memorial Day Parade. We were well represented, people were shouting from the sidelines, and candy was being tossed very generously! I would like to thank Tim Redmond for being instrumental in securing the military vehicles that followed us in the parade. Stu Pilcher did a great job in organizing the parade. We also want to thank the members who set up and cooked the food for the afterglow in the pavilion. I've heard that it takes a village to raise a child;

I believe that it takes a 'LODGE' to pull off a great event such as this.

As with every month, there are a lot of fun events planned in June. Our 2nd Degree Team is in the final planning stages of their annual Lobsterfest on Saturday, June 5th. The profit from this event helps to cover their expenses in maintaining the grounds. You must purchase your tickets by 6/2/10. The Ladies Golf Outing scheduled for June 19th has had to be postponed. It will be rescheduled later in the season. Look for updated info in you July newsletter. Come and enjoy our annual Classic Car Show on June 19th. Cars, food, and adult beverages will be available for everyone to enjoy. Hopefully we'll have a sunny day for car fanatics! The 2nd Degree Team is also planning a great Father's Day Breakfast in the pavilion on Sunday, June 20th from 9:00 am to 11:30 am. Plan to bring dad out for a great breakfast.

The No Smoking Ban took effect on May 1st and so far we've only had a few glitches. Please remember that there is no smoking on the patio at any time of the day or night, regardless if there is anyone else on the patio or not. The patio is part of our service area. You are allowed to step off the patio or out the front door of the building to smoke. I appreciate the cooperation of our members as we all get used to a new law.

Dan McLaughlin has booked some great entertainment for June. Be sure to check the calendar at the end of the newsletter and come down to support the lodge!

I neglected to mention that our member, Rodger (aka Hello, I'm Johnny Cash) Hester, won the first Metro District Karaoke contest held at Mt. Clemens Lodge! We are proud to display his winning trophy in our hallway. Heck! We about need a bigger shelving area to hold all of our trophies!!

See you at the Lodge!!

Richard Houston
Exalted Ruler

P.S. Never be afraid to try something new. Remember, amateurs built the ark. Professionals built the Titanic!!
