

YOUR LODGE NEWS FOR SEPTEMBER 2017

- Any alcoholic beverages consumed at the pool must be purchased from the lodge, when the Lodge is open. **NO OUTSIDE ALCOHOL PERMITTED.**
- Our lodge has donated \$17,600 (which is half of slot money taken in for FY 2017) to local non profit organizations. These include all of Dorchester County's Volunteer fire companies, hospice, veterans affairs, both Dorchester county's high school athletic boosters, just to name a few. A complete list can be viewed by contacting the lodge secretary.

POOL NEWS:

- Hopefully you're reading this before the 4th of September! Labor Day - the 4th will be our last day for the Pool for the summer of 2017. If you haven't come out to the Pool this year I want to invite all of you to come out for the last weekend of the Summer. Come out to say "farewell" to our lifeguards before they head back to school – although with practices and some college classes some already are back at a desk. I would like to thank our guards for the summer, Abby Crismond, Hunter Kane, Leah Krotee and Allison Loeffler – they kept the pool safe and clean for the summer. I hate to say that I'll be shutting the pool down – I hate the end of summer – but September is here and the days are getting cooler. Even if the Pool is closed, come out on a sunny afternoon and spend some time at the Pier, fishing or relaxing. It's a great place to watch a sunset. If I don't see you at the Pool, then I hope to see you in the Lodge soon! Pool Chairman, Rich Loeffler.
