# The 1654 Hickory Heard

July 2026

## From the ER

**To my Elk family,**

**This past month, Lauren Brisben and the E.L.K.S Adults with Special Needs Committee hosted a joyful Red, White, and Blue event. If you haven't had the chance to volunteer or participate in these wonderful gatherings, I highly encourage you to do so. The night was filled with smiles, laughter, dancing, and an overwhelming sense of love. It warmed my heart to meet with several guests that expressed their excitement and gratitude and to hear stories of how these events have changed their lives. A highlight was watching Robert Brisben showcase his impressive "running man" dance moves on the floor!**

**Beth Fox and the Youth Committee orchestrated a wonderful Foster Family Fun Day. The kids had an absolute blast, and I found myself being dunked in the dunking booth for what felt like 100 times. A heartfelt thank you goes out to all our members who volunteered for this event by setting up, cooking, running games, and cleaning up. It truly takes a village to pull off events like this, and we couldn't have done it without your support. We were also grateful to have volunteers from the Guardian ad Litem of Catawba County, and a special appearance by the City of Hickory Fire Department Station 1, which brough a fire truck for the children to explore.**

**Our Flag Day Ceremony, hosted by Debbie Whitworth and the Americanism Committee, was nothing short of exceptional. We welcomed special guests: Mayor Hank Guess and City Council members Jill Patton, Charlotte Williams, and Cole Setzer, along with Scouts of America Troop 5 and Girl Scouts of the USA Troop 20740. We celebrated the distinguished service of Charlene Walker, one of our first female Lodge members, as she received the 2026 Distinguished Patriot Award for her outstanding years of dedication in service to our country. Members of the Scouts helped us properly disposed of American Flags that we had collected, with Jim Benton overseeing the fire pit. Mark Couch and his support team delighted us with a spread of hors d'oeuvres that could grace the cover of any food magazine.**

**As we approach July, we will celebrate the Independence of our great nation. I encourage everyone to enjoy the day surrounded by family and friends, while also taking a moment to appreciate the freedom we cherish and honor those who have made sacrifices for our country.**

**I, alongside many members of our Lodge, will be traveling to Chicago for the National Convention from July 5-8. This will be my first experience at the convention, and I am thrilled to represent our great Lodge and learn more about our wonderful organization. I look forward to bringing back valuable insights to share with all of you. I pray for safe travels to everyone attending and look forward to celebrating all the incredible work we've accomplished over the past year together in Chicago.**

**Have a wonderful July and thank you for your continued dedication to our Lodge!**

# From the Secretary

**In the month of June, your Elks Lodge had the pleasure of welcoming an enthusiastic new member into our community, a retired veteran Neil Kahtod. He is eager to contribute to our mission and uphold our values. When you see him, please extend a warm and genuine welcome.**

**AND we have five potential members waiting in the wings to be initiated very soon. Keep up the good work everyone, and ask a worthy friend or acquaintance to join us as a member.**

**If you have not paid your dues for this year, please do so soon. Your new card is required for entry into the Lodge after April 1st. The card lock has been changed. If you have paid your dues and have not yet received your new (green) membership key card, please reach out to me so we can work to rectify the situation. If there are extenuating circumstances delaying your payment, perhaps we can help. Again, contact me so we can sort things out.**

## Elks National Foundation (ENF)

### Our Mission: Helping Elks Build Stronger Communities

**The mission of the Elks National Foundation is to help Elks build stronger communities. We fulfill this pledge by investing in communities where Elks live and work. We help youth develop lifelong skills, send students to college, meet the needs of today's veterans, support the charitable work of the state Elks associations, and fund projects that improve the quality of life in local Elks communities.**

**Like all Elks, the Foundation values the belief that charity is the greatest of all virtues and that by sharing and giving, we have the power to replace sorrow and despair with hope and confidence. Donations to the Foundation help us fund programs that match our cornerstone values of knowledge, integrity and community.**

## Veterans Committee

**The Veterans Committee is so excited about the Fourth of July! However, our Veterans Committee is celebrating it on Friday the 3rd. Each year we do a barbecue for Black Mountain Veterans Home and this year is no different. We are serving barbecue baked, beans, slaw, and banana pudding. We are also providing entertainment. Our new member Dylan Sayge is performing with his band for us. This event will start at 11:30 at the home. We plan on leaving Hickory around 9:30 to get there with plenty of time to set up. Come with us and spend an afternoon with a Veteran!**

**This past month, we were pleased to provide a Welcome Home Kit to Jon Eller after he moved into a home in Catawba County. He was referred to us by Jennifer Van Lue, a social worker with the VA. His story was featured on channel 9 CBS News.Dave Faherty reported that Eller, a Vietnam Veteran, had been living in a storage building in Newton for the last seven years. The city told him that the shed did not meet code enforcement or zoning requirements and he would have to move.**

**Also, Elks member Alan Avery did the work on a Welcome Home Kit June 9th going to Randall Berry, a Navy Veteran, referred to us by Frances Bryson of Veterans Services of the Carolinas.**

**Join us for our next committee meeting on Monday, July 13 at 5:30 PM on the third floor.**

**Have a wonderful safe summer and thank a veteran.**

**All the best,**

# Youth Committee

**Thank You for Making Foster Family Fun Day a Success!**

**What an amazing day!**

**We were honored to serve 43 youth at our Foster Family Fun Day, and it would not have been possible without the support of our incredible volunteers and community partners.**

**A huge thank you to our 22 Elks volunteers who helped make the day special. Despite the summer heat, smiles were everywhere as families enjoyed the bouncy house, obstacle course, Nerf wars, axe throwing, cornhole, and the always-popular dunking booth. The kids had a blast winning prizes at Pick-a-Duck, Smash a Cup, and Catch a Fish, while also enjoying fairy hair, face painting, and temporary tattoos.**

**Of course, no fun day is complete without great food! Families enjoyed hot dogs, snow cones, cotton candy, and popcorn throughout the event.**

**A very special thank you goes to GAL (Guardian ad Litem) for their volunteers, their help in planning this event, and for inviting foster families to join us. Your partnership helped make this day a wonderful experience for so many children and families.**
**Even with the heat, the day was filled with laughter, fun, and community. Thank you to everyone who volunteered, donated, participated, and helped create lasting memories for our foster youth and families.**

**Together, we made a difference.**

**Stay tune for info on Soccer Shoot in August.**

# Americanism Committee

**On June 14th, A Flag Day Ceremony was held with City Council Members, the Mayor of Hickory, and a County Commissioner present. Presentation of the Colors was performed by the Civil Air Patrol, Hickory Composite Squadron. Richie Patrick opened the ceremony. Carole Anderson led the prayers.**

**Laila Whitworth led the "Pledge of Allegiance." Readings of "I Am Old Glory" and the "Importance of the American Flag to Elks" were shared along with several patriotic songs.**
**Gary Young provided the music for the event.**

**The 2026 Distinguished Patriot of the Year Award was bestowed upon our very own Lodge Member, Retired Sergeant Airman Charlene Walker. She has presented with her name plate on the Patriot's Flagpole, a folded American Flag in a presentation box, as well as a bouquet of flowers. Past State President Mark Couch, PSP-DDGER spoke of Charlene's education, military experiences, career, along with her contributions to the Lodge as a former long standing Veterans Chair. Cary Bowman presented the flag and Debbie Castleberry the flowers.**

**Part of this important day is the proper retirement of American flags the Lodge gathers throughout the year. Jim Benton coordinated the cutting of the flags, so they could be retired. Troop 5 of the Scouts of America and Girl Scout Troop 20740 aided in this ceremony. Some of these youth experienced this for the very first time!**

**A reception followed for the well-attended program guests.**
**The next committee meeting is August 19th at 6pm on the 3rd Floor. All are welcome.**
