

Our Sixty First Year

Exalted Ruler's Message

It's been a very interesting year so far. Sorry for not putting out the newsletters. I've been very busy with work. Trying to work my way through the year, I can say the lodge is holding it's own financially.

I traveled out to National Convention in New Orleans to represent our lodge. Karen and I made Pompton Lakes very proud. I even got the new GER to sign my membership card. By the way John Amen from Colorado spent a lot of time with the ER's from the North District other lodges and had a wonderful time. The pamphlets they made up form the everyday sessions are hanging on our bulletin boards.

In November your Leading Knight Angelo Silvestri and his wife Sue along with me and Karen will be attending the Fall Conference in Long Branch, NJ.

The GER talked about membership, we need to improve our membership. I can honestly say we are pretty stale with this and need new mem-

bers. Our committees all need additional active members.

Just remember the help we extend to others increases our own riches.

There are many wonderful people in this lodge. We need to work together for all of us to exist in harmony.

I am proud to be your Exalted Ruler for the second time. I also promise to push forward to do my best for Pompton Lakes Elks.

Thank you,
Dave Kalish
