

Where There's a Will, There's a Say.

Do you have a will? If you don't, the state determines how your estate is distributed, and it won't include a bequest to your favorite Elks charity! Be sure to update your will and consider adding the Elks National Foundation as a beneficiary. A bequest to the ENF is a great way to demonstrate your commitment to the Elks and to improving Elks communities for generations to come. Visit www.elks.org/enf/plannedgiving.cfm for more information or contact the Foundation at 773/755-4728.

You invest. You give back. You help Elks build stronger communities. Learn more about the Elks National Foundation at www.elks.org/enf.
