A Message from your ER

Summer is arriving fast and it's time to take our fundraising operations on the road! The lodge is looking for volunteers to help with bingos, Dime tosses, dunk tanks, and more. Please contact the secretary via email to let us know you can help.

The budget for the bowling room has been increased and renovations should be taking place sometime this summer. Contact the lodge if you would like to volunteer to help with that project.

For the last few years all new members have been filling out a survey asking whether they'd be interested in volunteering for specific things that the lodge does. I'll be compiling these surveys and contacting you sometime this summer to see how we can get you involved. For now, continue to use our Facebook public page and members only page to stay informed on what we have coming up. Please comment on an event if you would like to volunteer to help.

Finally, a friendly reminder about how the lodge handles the loss of a member. The Elks will do funeral services for the passing of a member at the request of the family. We do not intervene in what the grieving family does. This service is available for all members of the lodge upon request. I hope you all have a wonderful summer. Fraternaly, Jesse Fischer
