My Fellow Elks, With the holiday season coming up I wanted to get the newsletter out a little earlier than normal. We've got charity baskets coming up and we're looking for volunteers to help make them on Friday, December 19th, starting at 3 pm. We're also looking for volunteers to help deliver these baskets the following day, December 20th, at 8 am. If anyone can donate their time towards this it would be greatly appreciated.

Our annual hoop shoot is scheduled for January 10th at the Washington Township elementary school. Registration starts at 8 AM. If you are able to donate your time to help with that event, please contact our secretary or Glenn Miller. Information has been sent out to the school districts in our territory, but I would encourage all members to spread the word to family and friends with children. It's a great national foul shot competition and I think it would be cool if a child from our area advanced and won it.

Officer nominations are coming up at the first lodge meeting in February followed by elections. If you would like to get involved more in the direction the lodge goes, run for officer. Elections are done democratically by all members at the meeting. Reminder though, a person cannot nominate themselves. If you are unsure what an officer does, please feel free to ask any officer.

Our Lodge will be hosting the district meeting February 1st. If any members would like to come and see what a district meeting is like, or meet other Elks from across our district, this is likely your best opportunity.

Lastly, I must ask all members to please make an account at elks.org. If you don't know how to do it contact the lodge and we will assist you. When you begin paying your dues for the upcoming year, you will not be receiving a card. Your card to show to other lodges across the country you may use while traveling will be in your elks.org account under Digital ID. I would recommend logging in on your phone and screenshotting it so you don't have to log in every time. Again, if you need help, reach out to us and we'll get you through it.

That's it. I hope you all have a Merry Christmas and a Happy New Year! Enjoy the holidays! Fraternaly, Jesse Fischer
