## Our Exalted Ruler's Message

**Exalted Ruler**  
*Ed Moore*

Don't forget our Flag Day Ceremony, June 14th, 10 am, it is one of Elks' most important rituals. And on June 19th, we are presenting a Comedy Show in the hall.

Congratulations to Dylan and the Activities committee for the successful Mother's Day brunch and Memorial Day events. And thanks to all the volunteers who made these events great.

Thanks to Chris Brown for taking the lead and working with the Board of Directors, getting our Lodge 3 ENF Grants.

Thanks to Chuck Fraser for all the work he does in the background to keep the Lodge running smoothly. Bill Purtil continues to work to sort out our records. Thanks to Ron Morrone for all the work he does on our grounds and infrastructure. Jory Pagliughi keeps our physical plant running.

Yes, these are officers who are elected to run our Lodge, but with over 1500 members, and the second largest Lodge in the state, we are very visible. We need new volunteers to step up. Our Lodge should be one of the leaders in the state. Lodges who are less than half our size are accomplishing more.

But there are a small number of volunteers who are at every event. Volunteering for an event is a great way to meet new people, and it advances our commitment of charitable giving. Money raised at these events goes back to the Grand Lodge, CT State Elks Major Projects, and our community. This is what sets us apart from social clubs, and is the foundation of our Elks Charter.

Paul Belanger

Thanks to Paul Belanger for stepping up and managing parking at the Food Truck Festival. His work helped make it the success that it was. Thank you Paul.

## Secretary's Observations

Hello Glastonbury Elks and Happy June.

I want to thank all of you that paid your dues in the last month. We have gone from 250 delinquent to 170 delinquent in just 30 days. We still have a long way to go so please if you are reading this and have not paid your dues now is the time.

I'm looking forward to a great summer this year and the Glastonbury Elks lodge has planned a lot for us. Our Camp Sunrise fishing derby is coming soon and is sure to be great event so come on out and help support the kids. We will be moving to our summer schedule for meetings and only meeting once per month in July

and August. This will back up our initiations just a little. If you are sponsoring a new member this month, please reach out to me so that we can discuss timelines for the new applicant. It can take up to six weeks to process after I receive the application and one meeting a month can make this a little slower.

Sponsoring a new member comes with responsibility. When you propose a new Elk member, and you are responsible for that candidate. I ask that you review the application before you sign it and look for the following. Is email address legible, this is very important as all our communication with applicants is done by email. Can you read the address and phone number, if you can't, chances are I cannot either. Following up with candidates for information slows down the process. The best option is to apply online. If you have an Elks.org sign in there is a link on the home page for the online application. This will allow the information to flow

directly to our system.

We continue to grow, and as we know growth is our lifeline. We should continue to bring our family and friends to the lodge and encourage them to join. We must, however, make sure that we are sponsoring worthy candidates. Make sure you are aware of who you are sponsoring and that they are of good moral character and will be a good fit for our lodge. We all work hard to make the lodge a better place and sponsoring the right candidate will help us reach our goals this year.

As always, I'm available for anything you may need. An email to [glastonburyelks@gmail.com](mailto:glastonburyelks@gmail.com) goes directly to me and I will respond quickly. My role is to support the officers and members of lodge. If you have any questions or suggestions for improvement, send me an email today and let's talk. Fraternaly,

Chuck Fraser  
Lodge Secretary

I need a kidney transplant.

Would you consider becoming  
a living kidney donor?

You don't need to be a match for me, you just have to be healthy enough to donate. Your donation will generate a voucher for me, helping me receive the best possible match for a living donor transplant. To prevent any financial hardship from donating, you can be reimbursed for lost wages, travel expenses, and dependent care costs.
