## **E.R. MESSAGE FOR MAY 2017**

To all officers, Thank You for stepping up to help better our lodge. Being an Officer takes time and dedication.

Our Installation was the best I've seen and we thank all the people who worked so hard to make it the success that it was. All of us are so proud of you. Again, Smithfield Lodge is #1.

Our members have so much to offer and we need to listen and remember we all want only the best for our lodge.

There are so many of you who do all you can to support us and are there when we need help. The members who run our events and also members and guest who support us, we thank you.

Please keep in mind the 1<sup>st</sup> Sunday in May, the 7<sup>th</sup>, at Noon, will be the Mother's Day Celebration. Also, Dennis Varone II will be presenting a trophy for 2<sup>nd</sup> place in the Hoop Shoot contest.

We will be putting in a new class on Thursday, May 11<sup>th</sup> at 7:30 pm. All members are invited. The lounge will be closed for about an hour.

Some of us will be at the State Elks Convention on the 28<sup>th</sup>, 29<sup>th</sup> and 30<sup>th</sup> of April.

May's Elk of the Month is someone who has been helping and supporting to better our lodge and has always been behind the scenes, asking only "what can I do to help". If we need support, we look around and this person is there helping. I'm honored to name Dale Jean Lizotte May's Elk of the Month.

Please have fun and remember Brotherly and Sisterly Love at our Lodge always.

In Elkdom, Your Officers and Ted Cooke, ER

### **MAY IS MEDICATION MONTH**

Almost everyone has medication that they don't use anymore or is beyond its safety date. This can be either prescription or over-the-counter medication. During the month of May, there will be a drop-off bin at Lodge 2359. At the end of May it will be safely disposed of.

Pills can be emptied into a zip-lock bag and the bag deposited in the bin.

The empty prescription bottles can be disposed of in your own trash.

Liquids can be deposited in their bottles. **PLEASE DO NOT DEPOSIT NEEDLES.**

It's unsafe to dispose of medication in the trash or down the sink or toilet. It ends up being deposited in the ground water and being ingested by birds and animals.

If you have any questions, please call or text Winnie Rezendes at 935-0670.
