

HOST A PRELIMINARY HOOP SHOOT CONTEST

THE ELKS INVITE YOU TO HOST A HOOP SHOOT

The Elks Hoop Shoot is a free throw contest for children ages 8 to 13. The program is free to all contestants and provides youth an opportunity to compete, connect and succeed through hard work and healthy competition. The lessons learned at the Hoop Shoot help **kids develop grit**. Winners advance through Lodge, District, State and Regional Contests to reach the National Finals in April. In the end, the names of six National Champions will be inscribed at the Naismith Memorial Basketball Hall of Fame.

Everything you need to host a preliminary Hoop Shoot contest is included in this informational guide. For more information on the Hoop Shoot, contact your local Lodge.

STEPS FOR HOSTING A PRELIMINARY CONTEST

1. Choose a contest date and time. Work with the local Lodge's Hoop Shoot Director to ensure the contest occurs prior to the Lodge contest. Invite students and youth in the community to participate.
2. Organize contestants by age (see Eligibility Guidelines below).
3. After the contest, complete the participation form located in this guide. List the total number of participants in the contest and the names of the six winners. Forward the completed form to the local Lodge Hoop Shoot Director.
4. Provide the six winners with the date and location of the official local Lodge contest. The Lodge Hoop Shoot Director will provide this information.

CONTEST DATE AND ELIGIBILITY

Contests organized by schools or community organizations may be conducted during the regular school day, i.e. during P.E. classes, or after school. If possible, invite the local Lodge Hoop Shoot Director to attend.

CONTEST RULES

1. The 8-9 year old divisions shoot four feet in front of the regulation foul line.
2. All contestants should be given an official opportunity to warm up. Ten minutes is recommended.
3. Each contestant should be given up to five warm-up shots, if desired, before shooting for score. The number of shots for score is left to the discretion of the contest coordinator. However, it is recommended that at least five shots are offered.
4. Contestants cannot make a controlled bounce more than four times. If this happens, the shot is void.
5. A free throw begins when the ball is given to the contestant at the free throw line. It ends when the try is successful, when it is certain that the try will be unsuccessful, or when the ball becomes dead.
6. The contestant must stay behind the foul line until the ball has touched the hoop, backboard or net. If the line is touched before this happens, a penalty occurs and the shot is void.
7. Ties will be broken by taking five additional shots in the same shooting order
