

The First Sunday in December has been set aside by the Elks for our Memorial Service for our Departed Members. This year the event will be held on December 5th at 2pm. Food will be provided after the service. The service is open to the public however we are requesting an RSVP no later than Friday, December 3rd. I am sending invitations to the family members of the deceased, but in many instances, I have inaccurate addresses. If you are a family member or a friend of any of the members that we are honoring and you have a phone number or address of a contact, please call my Office phone at 757-838-6071 and leave me a message with the information or email me at 366communications@gmail.com. Your assistance is greatly appreciated.
