Greetings from our Exalted Ruler

Hi, everyone! It has been a great first month as Exalted Ruler. I think we have a dynamic leadership team from top to bottom and I am really looking forward to utilizing our combined creativity in the community very soon.

Before I get into that too much, I want to thank our newest Past Exalted Ruler (PER) Pete Rogoski for organizing and delivering a great State President's Night for our lodge at the end of March. It was a great opportunity for me to meet more of our members and leaders from across the state to develop ideas for our lodge moving forward.

Currently, our bingo program is doing amazing. Attendance is great, enthusiasm from the patrons is palpable and it is driving good business for our caterer and in turn for the lodge as well. This month, I look forward to getting our Mother's Day celebration together and celebrating the day with the most special among us all, our area moms. Please help us out if you can, volunteer, share some creative ideas for gifts for moms, and anything else you can contribute will make the day most special. Stay tuned to your emails for more information.

Back to outreach into the community. If you recall, my goal is to find even more ways for the lodge to be charitable within and for our community. This past meeting, we agreed to host a new group of veterans to come and share fellowship and experiences within the lodge. In the next few meetings, I am hopeful to set up a new program in the community similar to our youth Hoop Shoot program.

Soccer participation in the Wisconsin Rapids area is at an all-time high and I would like to see us create an Elk's Soccer Shoot/Skills program. This is a great way to get youth more active in the community and to keep our name out there as well. Currently we are looking for a member to help lead this committee and develop a program similar to what is done by other Elk Lodge Soccer Shoots. If you have an interest or know of someone who would be a good fit by becoming a new member, please let me know.

Another big need currently is someone to head up our Drug Awareness committee and program. The Elks nationally run very successful programs and I know with the members we have outreach from us in this area would be highly successful as well. As you can tell the ideas we have are only as good as the people we can put together to run them. Now is a great time to become involved again and to find community individuals who share our values to become members who can lend their expertise and experience to help make our programs successful.

To wrap up I hope you have had a very Happy Easter and I look forward to celebrating Mother's Day with you very soon.

All my best,

Scott Krug

A Message from the Elk Ladies' President

Hello Elk Ladies,

It was so great to have almost everyone at the meeting! We are a small group but a) we know how to fun! and b) each and everyone of you should be proud of the works we accomplish! Our meeting was again productive in many ways and glad to report we have full slate of officers for the 22-23 year. Thank you to everyone who are maintaining their current offices and to those that stepped up and took an office. Be proud! We will be voting on our charities next month so be ready for that important piece of the meeting. Also remember to bring your monetary donations for the Stuff the Bus initiative that we will supporting again this year. I hope you all had a blessed Easter and look forward to seeing you in May. May's committee will consist of everyone bringing a little somethin' somethin' to eat.

Respectfully submitted,

Barbara Plowman
