**A Message from Exalted Ruler,  
ELIZABETH DYE, PER**

Welcome to MAY!! This is going to be a full month of activities and events for our members and our Veterans. We hope as a member, you will support the Lodge and those who put much time and effort into these wonderful events by attending. For **Mother's Day** we would appreciate dessert donations and we need volunteers for our **Memorial Day BBQ**. A new event has been added on May 15th that we think our members will enjoy. **Nancy's Cabaret** (Broadway Classics) is a group of four talented performers who will do a total of 26 Broadway Show tunes with food included. We chose a matinee to accommodate more Members. Get a table of 6 together and save \$5 off the ticket price for this outstanding afternoon event. You'll notice that **Fleet Week** is back! We will have the US Navy & Coast Guard in the house on May 28th. Come and show your appreciation, support, and enjoy a great evening with entertainment and karaoke with our Military. Because they have been away from home for so long, we would like to provide a selection of home-cooked food for them to enjoy. Sign up on the bulletin board for something to bring or a monetary contribution to be use toward the potluck.

Our Tuesday Night Meeting Dinners are being prepared by and sponsored by our members. Are you willing to prepare and serve a dinner for approximately 20 people from 5:30 and 7pm on a Tuesday? Please contact the ER or Lodge Office to pick your date. Monetary contributions are also being accepted to help sponsor dinners. Shout out to Member **Sandy Marchese** for sponsoring May 3rd! Please remember that as members we are **ALL volunteers** in our Lodge. It takes everyone to do their small part in participating for the Lodge to stay **open** and **active**. Don't know what to do or what is available? Check the Lodge bulletin board, read Elkivities, sign up for our Facebook page, or contact me for suggestions and opportunities that fit your schedule and your talents. WE NEED EACH AND EVERY ONE OF YOU! Cheers to a great fraternal year ahead!

**A Message from Leading Knight,  
NASHANA STEELE**

Greetings to my Fellow Elks!  
I would like to encourage everyone to come to the Tuesday Night Lodge business meetings. It is not only a great way to stay abreast of all the events happening in and around the Lodge, but also the

business of the Lodge. Remember, this is your Lodge and you have a voice.

On another note, back in January the Santa Clara Lodge experienced a devastating fire which destroyed their building. Donations made to the charity pot on Tuesday nights have been designated to helping them rebuild their Lodge. Many of us joined the Elks to give back to the community and to participate in charitable efforts. So, here is a perfect opportunity for you to help a Lodge in need. Donations will be extended through the second week of May. If you would like to make a contribution to our Sister Lodge, please submit your donation to the Lodge office in the name of the Santa Clara Lodge. Finally, to all the mothers out there, I wish you a very Happy Mother's Day!

**A Message from Loyal Knight,  
TONY PERESLETE**

President John F. Kennedy wrote that the Founding Fathers made an appropriate choice when they selected the bald eagle as the emblem of the nation. The fierce beauty and proud independence of this great bird symbolizes the strength and freedom of America.

The Second Continental Congress selected the Bald Eagle as the U. S. National Symbol on June 20, 1782. Historians agree that the eagle is often used as an emblem of great governments, as a solar symbol, linked to all sky gods. It signifies inspiration, release from bondage, victory, longevity, speed, and pride. The image of the eagle bestows freedom and the courage to look to the future. The eagle is symbolic of the importance of honesty and truthful principles.

The First Americans, our Esteemed Native Heritage, have extensively connected with the eagle since very ancient times. It is widely regarded as the chief of the birds. Its flight takes it highest into the sky toward the Sun and the Great Mystery, the Creator. Its large, black and white feathers are widely used for articles of honor. An eagle feather is often used in blessing someone by fanning them or touching them with the feather.

Traditional American stories began before there were people, when eagles soared in the heavens. There are legends among the Pueblo nations of the southwest, such as the Zuni, of a boy who becomes an eagle. They are central to the sagas of the Iroquois League of Peace. Countless stories live among the First Americans that show great respect and awe for the eagle.

What was your first sighting of a Bald Eagle in free, soaring flight, high in the sky? I distinctly remember mine: grandly floating over Big Bear Lake on July 4,

2019. I have also watched them swoop to catch fish in the Channel Islands.

The life of Bald Eagles is a marvelous one to share with the family. A captivating website allows all of us to experience an eagle family in nature. At the moment, the eagle family in Big Bear has a (large) baby and we are blessed to watch it grow. Experience the wonder at the Friends of Big Bear Valley Eaglecam, a sensational glimpse into Nature at: <https://www.youtube.com/watch?v=B4-L2nfGcuE>.

T. KEITH MILLS**

**Spring has sprung; summer right around the corner**  
Hey, hey it is the first of May. I hope you were able to turn in your Community Project Contest form to get your Lodge some deserved recognition. Remember, the annual charity report is due May 1.  
The first week of May is also Elks National Youth Week. I would encourage you to hold an event and honor all those who participated in your Lodge's youth programs over the past year. A variety of participation certificates available online. However, if

you cannot find one, make one up. Show our youth that Elks are there for them.

Further, sponsor programs that encourage youth to become outstanding citizens. If so, we will help them with "Meeting the Challenge."

Three honorable events take place this month. While only one is mandatory for Elks, the other two need to be recognized as well.

Sunday, May 8 is Mother's Day. This is a mandatory service that needs to be performed by your Lodge. This event is open to the public and extra attention should be taken to ensure this ceremony is well attended to show the respect all moms deserve. The Special Ritual Manual also requires the use of red and white carnations to honor these mothers. Please perform this service and show that Elks Care — Elks Share for moms everywhere.

The second event is Armed Services Day held on Saturday, May 21. In 1949, Defense Secretary Louis Johnson presented an idea to create one single day to celebrate the unification of the armed forces under the Department of Defense, instead of celebrating each separately. Schedule an event to honor all active armed services members. Invite them to the Lodge, provide them a meal, and show our support for all they do for us and our country.

Then comes Memorial Day, held on Monday, May 30. This day is for honoring the men and women who have given the ultimate sacrifice for our country while in the United States military. In the years following the Civil War, it was originally known as Decoration Day. By the late 1860s, Americans in towns and cities started holding springtime tributes to the countless fallen soldiers from this conflict by decorating their graves with flowers and reciting prayers. It became an official federal holiday in 1971.

We now not only honor our fallen United States service men and women, but also family members who have passed on. We hold family gatherings and parades to unofficially mark the beginning of summer.

**A Message from Hollywood Rental Liaison,  
LORI MARPLE-PERESLETE**

April has been a busy month for Hollywood Rentals. We have shown the building to numerous Scouts. One of which is with Warner Brothers looking to have a three day shoot at the end of June. Info is forthcoming.

A small independent film company used the front of our Lodge as a police station entrance for the Murf the Surf Documentary. Our Lodge will receive prominent film credit and a special thank you.

As you may know, Netflix returned April 25 through April 29 for a major film shoot for the television show Emerald.

Income from our Hollywood Rentals is dedicated to Lodge Building maintenance and remodel.

**A Message from Veterans Chairperson,  
ELIZABETH DYE, PER**

Our Lodge hosted blind Veterans and their staff for lunch and conversation on March 30th. Thank you to members Gail Harris, Peter and Nina Dabbieri, and Linda Lee for participating and representing our Lodge. They really appreciate our kindness and gratitude. For more information on ways to participate in our Veterans Programs, contact Liz.
