### September Bulletin 2022 – Vol. 54 Issue 9

**Calpine Elks Lodge # 2432 \* 72192 Hwy 70, 3.5 mi. west of Portola, Ca \* (530)**

---

Dear fellow Elk members,

During the month of August I attended a meeting at the Elks in Lake Almanor in which I met with the president for California/Hawaii elks, Mr. Bradford Smith, he is a very nice gentleman. Our meeting went very well, and we learned the value of needing to turn in our reports each month.

I've been ask as an Elks "what do we stand for and how would it benefit me to join." Well I'm here to explain as Elks we raise money for our communities, our schools, we raise money for scholarships so people can finish their schooling. Many that have benefited from those scholarships have gone on to become doctors, pharmacists, veterinarian and so much more . We raise money for children with disabilities so they can get help for the care they need. We raise money for our first responders and we take care of the vets who served our country. And so many other things I missed and that should make you proud to be an Elk or want you to become a member.

**In September our last meeting September 22 will with the District Deputy Grand Exalted Ruler (DDGER)**

**Manny Martinez we will be needing our officers plus our members there for show of our support.** There will be a dinner at 5 and meeting afterwards. PLEASE RSVP so we know how many will attend for dinner.

Thanks

Lady Elks President

Dear fellow Elks,

Thanks to everyone who helped volunteer for the month of August and going forward, we are grateful for your help.

I think the Exalted Ruler (ER) explained what being an ELK really means. On that note I would like to remind everyone that signed up to be an officer, me included, we need to start being at the meetings and if we cannot be there then we need to let Linda Kundson (ER) know. And sadly if you don't want to be there, let Linda Kundson know so we can find your replacement immediately. Please reach out to me if you have questions or want to become more involved with our Lodge.

Thank you, Brittany Knudson. Leading night
