

From LOE President Patti Graham:

Welcome 2023!!!! Hope everyone had a wonderful Christmas and a happy and safe New Year celebration. Santa brought me a new knee for Christmas. First present that I got from him that was painful.

The LOE is looking forward to another action-packed year. We are planning a few new events that will knock your socks off. I just cannot express my love and appreciation for these beautiful, hard-working ladies. And fun too. If you aren't a member, please consider joining all the fun. Yes, we work hard but it is gratifying labor. If you are a member and have been away for a while, please come back to see us. Even if just for a visit. Our monthly meetings are the 3rd Wednesday of every month at 5:30pm at the Lodge. ~ Patti

Elks Care - Elks Share

Message from ER:

As we look to the New Year, we need to prepare for election of officers and assigning committee chairs. It is critical that members step up to help lead the Raymond Elks and ensure that we meet the commitments required by the Washington State Elks Association and Grand Lodge. We will have some turnover in Trustees and committee chairs are always needed. We must provide the required officers and committee chairs to meet our obligations to continue Raymond Lodge #1292. I urge all members to seriously consider stepping up as an officer, committee chair, or at least a committee member. On a lighter note, we will have a New Year's Eve prime rib dinner to prepare for ringing in the New Year. Look forward to seeing everyone in the New Year for Friday dinner, King of Clubs, 50-50 drawing, as well as fellowship.

ER Mike

Check out the Elks Float at this year's Rose Parade in Pasadena. I am volunteering to help while visiting my family in California! So Exciting! Check our Facebook for pictures! ~ Kelly

Secretary Lori's Corner...

Welcome to 2023! As we begin a New Year we also come upon the last quarter of the Elk Year. Our Lodge has enrolled in the new Grand Lodge billing system for dues. This new system will make it possible to pay your dues online with your credit card. Using this system will save your Lodge time as well as money. Remember, dues are due by March 31st.
Another point to remember is that for a new Elk Year we need a new slate of officers. There are several positions open. Please consider donating some of your time to helping keep our Lodge up and running.
Our LOE worked hard in December and catered several successful events. These wonderful people keep our Lodge running, Huge Thanks to each and every one.
We're using a new email system that will be providing updates on events at your Lodge. It knows if you opened your email so we'll have a better idea of how well we're getting our message out. Open it up next time you see it in your inbox.
