Grant Activity 2023-2024

Our lodge has been actively involved in the Elks National Foundation (ENF) Community Investments Program (CIP) for a number of years. There are two types of grants: competitive and non-competitive.

The Freedom Grant is competitive and ENF awards only 300 lodges with funding. Our grant started six years ago with the first Lake Havasu City, Stand Down. This is an event that brings services together for Veterans. Our lodge does the food for the entire day and creates 36 emergency backpacks for Veterans in need. The backpacks and contents are funded with the grant funds of \$3000.

The Beacon, The Spotlight, and The Gratitude grants are all money that is guaranteed by ENF. To receive these funds, you must have a project. This year, I was able to combine all three for a \$9000 donation to Parks and Recreation for free and scaled tuition for the after school programs, clubs, and Teen Break. This is an ongoing, yearly donation supported by all the visits Drug Awareness and Youth Activities volunteers complete.

Grants are lodge projects. As the writer, I take an idea for a project, develop a goal and objective, and create Elk involvement. Each grant requires writing, administration, and evaluations. This year, we will give away \$12,000 to charity which is the very best of my job as Grant Administrator.

Sincerely,
Debbie Herd

ELKETTE PRESIDENT MESSAGE

It is already September! The Elkettes have had so many great events this summer. An amazing concert by the Southwest Surfers. It was the perfect beach vibe and so much fun. We held Bunco and LCR games that brought smiles and were successful fund raisers. We have another great fund raiser going on now selling Challenge Coins to purchase and upgrade our security cameras for the inside and outside of the Lodge. These coins are awesome. The coins are now available to the Lodge for \$15.00. This idea came from Ellette Jon Villalobos who is also a Trustee of the Lodge. Jon worked on designing the Challenge Coin and had the Elkettes vote on the design that would be our Challenge Coin for Lodge #2399. Jon gave us the story of how the idea came about to have Challenge Coin for our Lodge.

when amongst friends and the individual that is unable to produce their coin must buy a round of drinks, they also trade coins and give to members of different lodges.

Jon and Jerry Perrault here at our Lodge with Jon presenting Jerry with the Lake Havasu City Lodge #2399 coin.

Please check in the office or call Jon Villalobos or Gabriele Medley to purchase a coin.

I can not say enough about our volunteers. Thank you for all you do for our Lodge!

Gabriele Medley
Elkette President 2023-2024

IDEA -STORY:

The idea for the coin came after I was approached by Jerry Perrault, a Trustee from lodge #1968, which is located in Vista, California. Mr. Perrault introduced himself and handed me the coin. We had a great conversation where he enlightened me about the history and tradition of the coin. He said that at his lodge the coin is very popular and that they will often present it

The Elkettes received a plaque thanking the Lodge for our donation to Kids of the Colorado River, a non-profit Colorado River educational program dedicated to introducing students to boating and safety, wildlife in the lake, river ecology, water history and culture.

Receiving the plaque left to right- Ellette President Gabriele Medley, Dan DeSantos with Kids on the Colorado River, and Ellette Parliamentarian Tom Bradley.

These Fun Facts about the Elkettes appeared in the October 2017 and February 2018 issues of the Wapiti Wind. I thought you would enjoy re-reading them.

Jackie Turcotte, Former Wapiti Wind Editor

Elkettes Fun Facts

- 1969 - 1970 - Elkettes are formed with Bev Thomas as the first Elkette President
- 1972 - 1973 Darrol Tornton and Rocco Demase are the first Honorary Elkettes
- May 1978 - Charlotte Thornton becomes the first Lifetime member of the Elkettes
- 1989 - 1990 Verna Matlock is named the first Elkette of the Year
- 1992 - 1993 Lola King is the recipient of the first Outstanding Elkette Award

Some interesting facts about the Elkettes:

- The Elkettes was formed by Barbara Brown, wife of Exalted Ruler Dave Brown, in September 1969, one year after Elks Lodge 2399 was chartered. Bev Thomas was the first Elkette President.
- The club, although predominant throughout the country, is not regarded as a national organization. The officers decided to not be called "Does" or "Emblem" as other Elks women's groups because they would have to pay National dues, so they came up with the name "Elkettes".
- The first project of the newly formed Elkettes was a swap meet and then a myriad of projects followed. Later, since youth activities were high on the list of Elks projects, it also became an important project for the Elkettes.
- It was discovered that the President of the Elkettes had one of the most demanding schedules in the city, which all Presidents will attest.
- Since inception, the Elkettes have been a indispensable part of Lake Havasu City Elks Lodge, No. 2399. Elkette membership is composed of wives of Elks and Elks in good standing, volunteering to raise money to help support Lodge 2399.

VAGABONDS CLUB NEWS

Hello Vagabonds friends:

Hope your summer is going well ... gosh its almost gone and we have Williams to look forward to in September!

The last outing of Spring 2023 was the Camp Verde outing hosted by Barry/Suzie Stillwell and Jackie/Dennis Newbeck May 14-18. 31 rigs showed up for this outing!!! The resort was just fabulous and the locale was perfect for exploring. Bike riding was popular at this venue as well. Everyone shared their experiences at our daily happy hours: one that lasted until 7:30 pm (Why break up a great happy hour while everyone is still sharing stories, drinking margarita's, and playing the shot game)!

We did a "progressive" 50/50 that held over from Tuesday to Wednesday night. Windy Geiske won the jackpot but gave it back to the club to use for charity.

Also, Windy hosted Left/Right/Center game for two nights playing several games per night.

At the end of the event the consensus was that Camp Verde must be repeated ... that there was not enough time to do all the things that were available from that location.

Our next outing will be at RAILSIDE RANCH RV RESORT in WILLIAMS Sep 13-16 hosted by Cami Luke/Carl Peistrup and Mike/Joyce Grabowski. NOTE: Since this event starts on Wednesday Sep 13, out regularly scheduled monthly meeting, our meeting has been rescheduled for Wednesday, September 20 at 1 pm (or 11:30 if you would like to have lunch prior to the meeting).

Stay cool and safe for the rest of the summer ... we look forward to meeting again in September.

As I step down as the Wapiti Wind editor, I think back to all the issues I have created, all the photos I have taken, the miles driven to the Lodge, the printers, to wherever I needed to go to take pictures and all the time I took to try to make each issue one that you want to read. It has been over six years. Those six years have been rewarding but sometimes frustrating. I wouldn't have missed it for the world.

It is time to pass the reins on to a new editor. PER Chuck Fox has agreed to assume the responsibilities of Newsletter Editor. If there is one thing I learned during my career in the

Navy, it is that when I transferred out, someone transferred in to continue doing the job. Chuck, I am sure, also learned the same in his career. Being Editor may be new for Chuck, but I am sure he will do a great job.

I want to take a moment to thank all who supported me during my time as editor. I appreciate all you did for me from sending in reports on time to simply telling me I did a fine job. It has been fun.

Jackie Turcotte, PER

Blood Drive

We would like to extend a big "Thank You" to all who donated blood at our Blood Drive in June. We collected 74 units. This may not seem like a lot, but for the Lodge it was the best drive ever. Most importantly though is that we helped save lives.

Again, thank you all.
