A Time of Change

Every year at this time we Elks experience a change in leadership guiding our way through Elkdom. Please look to see who will be your newly elected officers and ER appointees.

Peggy Morris is your new Exalted Ruler for the 2024-25 fiscal year. I ask you to support her as you have supported me in managing the lodge. As your next Lodge Treasurer I will give Peggy my full support in helping her with the finances of the Lodge.

My last two years as ER has been a rewarding yet challenging experience as other PERs will tell you. I do encourage all of you to run for office, without officers the Lodge does not function. I will not be going away, my Treasurer duties will take a bit of time (not as much as ER) and I will still be working with Len on the maintenance and capital projects of the Lodge. So when you see things broken or not working right tell Len or I and we will get fixed.

The Volunteer Luncheon is March 10th at 12:00. If you have volunteered during the year, put your name on the signup sheet in the lobby and enjoy a nice lunch and give me the opportunity to recognize the good work that you do.

I also encourage you to participate in the Installation of Officers Ritual. We serve a great meal and present Elk and Officer of the Year awards. When you attend this important ceremony, it shows your support for the new officers which helps to make them feel welcomed.

Stay safe and healthy.

Sincerely,

Rich Mayes, 302.290.1402, rtmayes1@verizon.net

HAPPY ELKS NEW YEAR!

Thank you to our Lodge members for your commitment to our first Cardinal Principle **Charity** with your generous donations to **Elks National Foundation**.
Let's make the new year even greater!

A 501(c)(3) public charity, the **Elks National Foundation** helps Elks build stronger communities through programs that support youth, serve veterans and meet needs in areas where Elks live and work. For more information on the **ENF**, visit elks.org/enf.

Join the Fidelity Club

Do you donate to the **Elks National Foundation** often? Did you know there's a club for members who donate monthly called the Fidelity Club? The **ENF Fidelity Club** recognizes giving via automatic, regularly scheduled payments. Sustaining givers have a recurring monthly payment (minimum \$5) that is automatically debited from a bank account or charged to a credit card. Monthly giving is safe, reliable, and allows the **ENF** to spend less time on administration and more time on our charitable mission. Not to mention, members receive **Fidelity Club** stickers, pins, and pin attachments depending on their level of giving. Visit enf.elks.org/recurring to enroll today.

Remember to check our **ENF** PowerPoint presentation on the tv in the lounge for the latest **ENF** information!

****I am looking for a member to take over as ENF chairperson this Elks fiscal year. I will train whomever volunteers and they will need to register as the new chairperson early in April. You do not need a fundraising background.****

I am always available to answer your questions and assist with donations!

**Vacant Chair**

We shall meet, but we shall miss him

There will be the vacant chair,
But though we no more possess him

Still our hearts his memory bear.

But a while ago we gathered,
Friendship beaming in each eye,
Now the golden cord is severed,
He has passed to realms on high.

Heads up Grand Lodge Dues Increasing Next Year

Grand Lodge dues will increase from \$17.00 to \$22.00 per member. This increase is a result of high cost losses across the country, hurricane damage, fires, alcohol related liability. Just a reminder the Newark Lodge #2281 dues will remain unchanged at \$58.75 (does not include State or Grand Lodge assessment) as disclosed in our By-Laws which was approved by the membership. The breakdown of the Grand Lodge dues is as follows:

Grand Lodge expenses and operations	\$	6.50
Subscription to Elks Magazine	\$	5.50
General Liability Insurance Assessment	\$	22.00
Total Grand Lodge Dues	\$	34.00

On the Lodge front we have continued to reduce cost over the past few years which allows us to maintain the low cost Lodge dues (as compared to other lodges across the country). Installation of the new HVAC system for the Hall has yielded a 17% decrease in electricity cost (July, Jun, Aug compare to same time last year), in April we will have a clearer picture of yearly savings. Electricity costs have also improved due installation of LED bulbs throughout the entire Lodge and signing a 3 yr contract with an electricity supplier fixing our per KWh price in an environment of increasing energy cost. These are the kinds of investments in our Lodge that keep our Lodge dues in check. We all know prices are increasing everywhere and yes we have to increase food and beverage prices selectively. Another way to look at our bargain dues, at a total cost of \$95, this represents less than \$8.00/month.

If you have an idea, submittal, question or comment about Lodge activities, email or text it to me by the 17th of the month. As usual, we reserve the right of review for appropriateness of content and revision as necessary in accordance with editorial policies and oversight by the Exalted Ruler.
