From Your Exalted Ruler

Gail Maschino

During the past year, in the monthly bulletins, I started my articles with an inspirational quote pertaining to kindness. I appreciate all the members that mentioned to me that they enjoyed the quotes and felt that during this past year there was more kindness within Elks Lodge 409. This year I will be doing the same, only focusing on RESPECT; respect for each other, respect for Elks Lodge 409 and respect for the Elks organization.

"Respect is a fundamental value that encompasses acknowledging the worth and dignity of others. It involves treating individuals with kindness, fairness, and consideration, regardless of their differences or opinions." – Anonymous

Elks Lodge 409, once again, has a dedicated group of new officers for the 2025/2026 year: **Gail Maschino**, Exalted Ruler; **Kathryn Bartee**, Leading Knight; **Mike Thorne**, Loyal Knight; **George Buchanan**, Lecturing Knight; **Connie Nichols**, Esquire; **Bob Peace**, Secretary; **Smokie Findley**, Treasurer; **TBA**, Chaplain; **Richard Peterson**, Inner Guard; and **Sissy Hurst**, Tiler. Our trustees are: **Wayde Deragowski**, **Frank Stevens**, **Leslie Davidson**, **Teddy Fleck**, and **Mike McKee**. I want to thank you and let you know how much I appreciate all our officers during the past year and all the officers for this coming year. I would like to thank the following members for their services to the Lodge over the past year: Leading Knight **Janet Glenn**, Chaplain **Chuck Smith**, Tiler **Gloria Fairchild**, and Trustee **Earl Garrett**. Please let all of Elks Lodge 409 officers, past and present, know how much we appreciate their dedication and commitment to our Lodge.

It's a new year in our Elk world. I hope everyone is ready to get involved with the charitable programs in the Lodge. I'm looking forward to working with **Mandie Swaim** as she takes over as the Chairman of our Veterans Committee. Thank you, **Nolan Moody** for the great job you did leading the Veterans Committee the past three years. **Janet Glenn** is the new president of the Ladies Auxiliary and thank you, **Sandy Randall** (R.I.P.) for your leadership as president this past year. **PERs Linda and Tom Hrdlicka** continue to do an excellent job with our Community Activities program. **Gloria Fairchild** was the Chairperson for Drug Awareness, Esquire **Connie Nichols** was chair of Youth Activities, and Leading Knight **Kathryn Bartee** did a great job guiding her Scholarship Committee this past year. Thank you to everyone that has helped with these committees. In future bulletins I will let you know who are the chairs of each program and the opportunities for our members to get involved.

PER Amy Smith and her Entertainment Committee will continue to provide musical entertainment for our Lodge members and guests. We are looking forward to having karaoke more often in the lounge, which is always a fun night.

We will continue to work toward having lunches and dinners at the Lodge, along with fun activities in the lounge.

Thank you to every member of Elks Lodge 409. You are the ones that make our Lodge great; supporting the Lodge through donations and volunteering for our different events.

2024-25 Citizen of the Year	*2024-25 Officer of the Year*	*2024-25 Elk of the Year*	*2024-25 Recruiter of the Year*

From your Ladies Auxiliary President *(Submitted 3/7/25)* *Sandy Randall (R.I.P.)*

Ah . . . my last message in the bulletin. Our elections took place the evening of March 13 and the bulletin deadline was at noon. Our incoming president, **Janet Glenn**, asked me to take care of our April article.

I want to say to all our Ladies Auxiliary members, "Thank you". I have enjoyed being your president very much. I hope to continue service in whatever capacity I am needed. It's been a great year, and a very special one for me.

I'm finishing the year with a project dear to my heart; the 409 cookbook. A couple of months ago I was looking for a recipe in my 409 cookbook from 1991. It occurred to me that things have changed a bit. Tastes and preferences have changed. Many of the Ladies from our Lodge who have recipes in the older book have passed on. I asked for a committee to help me put this together. Wow! I think I have the best of the best: **Randi Heard**, Committee Chairman, **Rachel Campbell**, **Jeanne Jones**, **Nowetta Kinnick**, and **Sandy Copeland**. We are all passionate about this project and it is going to be a beautiful book, in Elks 409 honor. This is not a fundraising project, but a labor of love. Watch for the cookbook to be finished and offered at a very competitive price. Great for gifts!

Ladies, did you notice we have new toilets in our bathroom? A big thank you to **Frank Stevens** and his company, H-VAC. We got three quotes, all very competitive and we wanted to work with our fellow Elks. Good choice Ladies. Thank you, **Frank**!

Our installation of officers will take place April 10th. We will start our meeting promptly at 6 pm with dinner, drinks & social time to follow. Our members and their guests are welcome to join us.

Janet will report the new officers in the May bulletin.

If you are a Lady Elk, a spouse of an Elk, or a widow of an Elk, we invite you to visit our meeting in May. Join us if you feel like becoming more involved in your Lodge. It's a great way to meet your fellow members. We can do "good" by ourselves, but we can be "great" together.

Thank you again for a happy, inspirational year. **Janet** is going to be a wonderful president. **Janet**, we are all here to support you.

Sandy Randall (R.I.P.), President
Ladies Auxiliary

Benevolent Trust

"Dentistry on Wheels"

This organization was incorporated in order to have a functioning group to operate the Elks State Major Project; The Dental Program.

Since 1962, Mobile Dental Units purchased and equipped by the Elks have served the dental needs of eligible physically challenged/developmentally disabled adults and children.

Basic and routine dental treatments include x-rays, examinations, cleanings, fluoride treatments, fillings, routine extractions, and referrals. Each year dental procedures are performed on more than 3,000 patients. The value of these services is over $700,000. This is where we contribute.

It is a privilege to be a member of Elks Lodge #409.

Elks National Veterans Service Commission Report

Greetings from your Veterans Committee. This will be my final partial article for our bulletin and again, I want to thank all of our supporters over the past three years. This is to introduce your new Veterans Committee Chair, **Mandie Swaim**. **Mandie** comes from Sioux Falls, South Dakota. She joined the U.S. Army fresh out of high school and was honorably discharged in 2006. She proudly joined Springfield Elks Lodge #409 in 2023. She has been actively involved in the Elks Veterans Committee and is looking forward to expanding programs, initiatives, and fundraisers to better support the local Veteran community. Passionate about health and wellness, she volunteered at CoxHealth, training women in the community and started a fitness group for moms with babies. She also dedicated time to CARE Animal Rescue volunteering with animal welfare efforts. You can read her story in the March bulletin.

Semper Fidelis, **Nolan**.

I want to start by thanking **Nolan Moody** for his confidence in me and for believing that I will be successful in this role. I am truly honored to follow in his footsteps and will continue the tradition of helping our local Veterans and those among us who need support.

I would also like to extend my heartfelt gratitude to the EVC for selecting me to serve on the veterans Committee. It is truly an honor, and I am excited for the opportunity to contribute to such an important cause. One of my primary goals is to enhance fundraising efforts for the committee so that we can provide even greater support to our local Springfield Veterans.

Helping those in need has always been a deep passion of mine. It is something I have felt called to do for as long as I can remember, and joining the Lodge has only strengthened my motivation to make a difference. Seeing the impact that a strong, dedicated community can have has inspired me to take action in new and meaningful ways.

This passion is also something I see reflected in my youngest son. Whenever he sees someone in need, he tells me that when he grows up, he wants to be rich – not for himself, but so he can give all his money away to help others have food and a warm home. His pure-hearted desire to help others has given me so many ideas for ways we, as a Lodge and as a community, can come together to support those who have served our country.

With the support of the EVC members and the Elks Lodge members, I believe we can make a real difference in the lives of our local Veterans. I look forward to working alongside all of you to bring these ideas to life and to continue the incredible work of this committee. Thank you again for this opportunity – I am truly honored to serve.

Elks Lodge 409 Singles News

Our group had a very special visitor from The Salvation Army. **Hollee Ellis**, with The Salvation Army, was there to present to our club a trophy for raising the most money in a contest that was held in November and December. Our special individuals who participated in the bell ringing were: **Smokie Findley**, **Tom Bray**, **PER Shirley Keck**, **Jeannie Jones**, **Joe Halbert**, **Judy Patterson**, and **Jennifer Dixson**. Congratulations to all those who gave up their time to ring the bell. Our group is looking forward to doing it again this year.

The 2024-2025 term for the sitting officers for the Singles has come to an end. After our celebration of the award it was back to business and the election of the new officers for 2025-2026. Nominations were open to the floor for treasurer, secretary, vice-president, and president. The following individuals were elected for a second term: **Smokie Findley**, Treasurer; **PER Shirley Keck**, Secretary; **Tom Bray**, Vice-President; **Cathy Latona**, President. Thank you all for the vote and the confidence you place with us. I look forward to another wonderful year.

The monthly breakfast was held at Ziggies North. As I state each month, all who attend the breakfast has a good time. This is held once a month and always at Ziggies North. Please everyone who can, stop by, have breakfast and enjoy the camaraderie.

The movie for the month was *Last Breath*. Everyone met at Springfield 8 and enjoyed a great movie. As is the custom, after the movie the group met at El Puente for dinner and happy hour.

The monthly dinner was held at Mundos Latin Kitchen and Bar located in Ozark. This is one of the group's favorite places to eat and that is why we elected to meet there again. The food is very good and a good time was had by all.

At our next meeting, April 1, the Singles will be installing the elected officers for the 2025-2026 year. We will be serving food catered in after the meeting.

Veteran of the Month

Dorianne Celine May – born as **Dorianne Celine Payne**, grew up in Springfield, MO, attending the Catholic School system. She had a special love of animals, plants, and sports. She had always dreamed of entering the medical field. In high school, when she was offered a nursing scholarship through the Army, she accepted that scholarship and went to what was then Central Missouri State University in Warrensburg, MO, to complete her Bachelors of Science Nursing Degree. She received her commission to the Army in 1999 as a Second Lieutenant, then went on to Army Officer Basic School in San Antonio, TX. Her first duty station was at Fort Leonard Wood, MO, where she honed her nursing skills and decided to apply for the Army Anesthesia program as a First Lieutenant. She was accepted into this school in 2003 and returned to San Antonio for her training and Officer Advanced Course. Phase two of the program was in Fort Hood, TX, where she specialized in Regional Anesthesia for orthopedic injuries of soldiers and Obstetric Anesthesia. It was there she achieved the rank of Captain. **Dorianne**'s first assignment as a Nurse Anesthetist 66F was at Fort Jackson, SC. There she continued to hone her skills in anesthesia, specifically Regional Anesthesia, and as an instructor to nearby University of South Carolina anesthesia students.

In 2007 she was given orders to deploy to Baghdad, Iraq; a particularly grueling deployment in the summer of 2007 Iraq Enduring Freedom. She was deployed with the 86th Combat Support Hospital in the Green Zone where their mission was to save as many lives as possible. Wounded soldiers, contractors, allies, and prisoners of war were flown in daily from across the region with life threatening injuries. Both units maintained over a 95% save rate for even catastrophic bombing victims. Their other humanitarian mission was providing long-term burn care to pediatric Iraqi children. Adding to the stress and danger of the mission were daily rocket assaults from across the Tigris River; with one attack directly on the hospital on Thanksgiving Day, injuring several surgeons and staff members. Upon returning to stateside, **Dorianne** was stationed at Fort Irwin, CA, and achieved the rank of Major. There she specialized in Medi Vac Flights of the sick and injured, Obstetric Anesthesia, and mentoring.

Dorianne was medically retired due to injuries sustained in Iraq after over ten years of Active Duty Service. During her service, she received the Army Commendation Medal, Army Achievement Medal, National Defense Service Medal, Global War on Terrorism Service Medal, Iraq Campaign Medal with Campaign Star, and Army Service Ribbon.

After her Army service, **Dorianne** has been enjoying raising her 18 year old son, **Evander**. She has been practicing anesthesia for nearly 20 years total; after the Army, in Kansas City and Springfield. She specializes in Ophthalmic and Rural Anesthesia.

Her hobbies include reading, gardening, traveling, poker, and raising animals.

She joined the Springfield Elks Lodge #409 in 2024 to meet new friends and give back to the community through the Elks Veterans Committee. We are excited to have **Dorianne** as a member of Elks #409 and the Veterans Committee. We thank you, **Dorianne**, for your service to our country and our community!
