### The Illinois Elks Children's Care Corporation

The primary purpose of the Illinois Elks Children's Care Corporation is to manage, finance, and administer programs of medical aid, research and education for the benefit of handicapped and indigent persons under the age of 21 residing within the jurisdiction of the Illinois Elks Association. Your donations also support students seeking degrees in the fields of physical and occupational therapy.

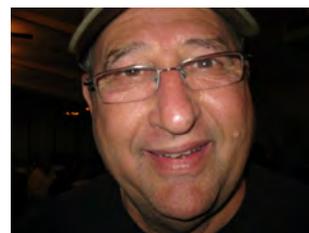

This year marked renewed beginnings for the Corporation. They are excited that the name of the Corporation has evolved into the "Illinois Elks Children's Care Corporation" (IECCC). Not only are they continuing to help children with clinics, medical equipment, and services, but they are expanding. They are very pleased to share with you the news about a new scholarship program that aids college students pursuing a career in special education. Your donations make this possible. In fact the name change enabled them to reach more children and their families by symbolizing a clearer description of what they represent.

The budget for the programs this year had exceeded on million dollars. Again all of these funds are used to directly help less fortunate children. Remarkably, they are one of a small number of charitable organizations that returns 100% of the donations received. The IECCC has invested wisely over the years and the investments are restricted so that only the interest can be expended. The interest from those investments are used only for their operational expenses. This guarantees that every penny donated from individuals like you is directly used to help children in Illinois. You may help out by purchasing a Illinois Elks Children's Care Corporation calendar for \$20.00 or a HO DO pin for \$10.00 (Honary Donars). These doantions will be sent to the IECCC in your name. Check with your Lodge Secretary if you wish to donate.

Once again, the Wild Game Feed was a grand success. Thanks to all who provided game, helped cook, helped serve and participated in the event.

### Happy Birthday, Mitzie!

If you see this face, RUN! Greeks do have more fun!
