E.R. MESSAGE FOR APRIL 2017

To the out going officer's we say thank you for all you have done to make our lodge what it is today. To our new officers thank you for stepping up to help all of us and our lodge. Together with the help of the new membership we will be able to continue the good work.

The installation of officers will be held on April 8th. Join us and support the incoming officers. Cocktails are at 2pm with installation at 3pm. Dinner to follow.

On Friday the 21st of April at 6 - 8pm join us for keno night.

Please remember the 1st Sunday of May will be the Mother's Day celebration @12:00 noon.

In elkdom your new officers

Ted Cooke, ER

From the Secretary's Desk...

Well, it is the close of another year and a new year is just beginning. I want to congratulate the past Officers, the Board of Directors and the House Committee on the great job they have done this past year. We have made such great strides in improving our Lodge. Of course, without the volunteers and the membership in a whole, these advancements would not have taken place.

Congratulations to Keith Stiles on his Honorary Life Membership and Leo Corvas on his Life Membership.

The following have been proposed for membership:

Kristin M. Sullivan - proposed by Raymond Sullivan
James Grande - proposed by Carole Stiles
Keith Hennessey - proposed by Leo Correira

Pending their investigation, we will vote on them on the 20th of April.

Please remember that the new lock will be in place on April 1st. You will need your new membership card to gain entry into the lodge.

I wish all of the Officers, Board of Director, House Committee, and Members on Committees all the best in the new year.

Cheryl Pimental
Lodge Secretary

150 CLUB

The February monthly winning number was number 67. For the second straight month that member was not paid up. All it takes is \$10 dollars a month to be paid up.

I still haven't heard from many of you, if you are still interested in keeping you number. If you are not, please let me know. A lot of new members are looking for numbers.
