How is the Elks National Foundation Helping YOUR State?

Each year, the Elks National Foundation strives to grant more money back to each state than it received from that state in donations. These grants help fund the state Elks associations' major charitable projects, which include aid for people with disabilities, cancer research, children's hospitals, youth camps and safe havens for abused families. The state associations also use these grants to fund their "Hoop Shoot," Soccer Shoot, Drug Awareness and scholarship programs, as well as other charitable and philanthropic projects.

This year, the Elks National Foundation will grant \$7.9 million to the state Elks associations. To learn how ENF is helping your state, check the stats:

Gaudet Creates Change

In late 2010, Missoula 'Hell Gate,' Mont., Lodge No. 383's per-member-giving total barely equaled a pocketful of spare change. After being inspired by programs the Elks National Foundation funds, ENF Chair Jacqueline Gaudet knew the Lodge had to change its giving habits. wishes and the other thousand will be presented in his name at the fall state meeting. We also recieved \$600.00 in additional donations. (Event type: *Dance, Dinner, Raffle*)
Date of Event: 10/09/2009

Event Successes:
This is our second year holding this event. Good attendance and lots of fun. We acknowledged doners this year at the 100;250;500;1000 and 2000 Dollar giving levels

Event Weaknesses:
Hard to get additional contributions at the dance altho we place pins and contribution cards at each table.

Suggestions:
Raise the price of the ticket By a few dollars and donate amount in Lodges name to ENF. Sell raffle tickets earlier in the year, dont compete with fall and holiday money raising activities.
