

ATLANTA-Northlake Elks, Lodge #78

November 19, 2024

Dear Neighbors, friends, and family,

The Officers & Members of the Atlanta-Northlake Elks Lodge would like to thank you for your sustained support of our Montreal Rd location. We are forever grateful to the Brothers & Sisters that built and sustained that Lodge building for 33 years. We are proud of the Members for making the sound business decision to downsize our Lodge facility and seek a more suitable location for our changing membership.

The Lodge has officially been sold and possession has been passed to the new owners. A special thanks to ER Tim Sexton and Chairman of the Board Tobin Sexton, as well as Rick Strickland, Linda Campbell, Linda Schreiber, Michael Kennedy, and many others who spent countless hours organizing, packing, and moving the Lodge contents into storage.

Due to the vast amount of work moving required, **we will not be having a Lodge Meeting this week, Thursday, November 21st, 2024.**

Our regular Lodge business meetings will continue to take place on the 1st & 3rd Thursdays of each month, with **the next meeting being Thursday, December 5th, 2024.** Our new, indefinite location for these meetings will be **6655 James B Rivers Dr, Stone Mountain, GA, 30084.** The meeting space will open at 4pm, Trustees Meeting will be at 5:30pm, catered dinner at 6:15pm and Lodge Meeting at 7:15pm. Priority agenda items include budget & by-law amendments and our vision for the future of Atlanta's BPOE.
