From Your
Exalted Ruler...

Fellow Elks

We are finally open as of June 26th and the only Lodge meeting in July is on Tuesday July 7th. If you have not been to a meeting for a while come on down. The doors open at 4pm and the meeting is at 6:30pm.

Now that we are open, we need to start recruiting new members. Our first initiation of the year is Sept 15th. When you come down to the Lodge you will see that we have spaced the table for social distancing if you see chairs on the table, that table is not available. Only tables with the chairs down can be used. The bar will also have chairs in groups of two spaced by 6' a part.

We will also have a new food menu when we start serving food in July. So, continue reading the Elkhorn to see what is on the new menu. If you are interested in volunteering at the Elks lodge see me or Bill Pittman, we are always looking for additional people to help.

FLAG DAY AND THE BENEVOLENT & PROTECTIVE ORDER OF ELKS

It is to be expected that an organization dedicated to patriotic service should seek to promote a proper knowledge of, and respect for, the American Flag, and all that it represents. The Benevolent and Protective Order of Elks has done this in many ways. Perhaps the most effective of its prescribed activities is the Flag Day Service. Each Subordinate Lodge is required to conduct this service annually on June 14th, the anniversary of the birth of the American Flag.

The idea of a Flag Day Service was first suggested to our Order by the then Grand Exalted Ruler at the 1907 Grand Lodge Session in Philadelphia. Of the dates submitted for consideration at that time, June 14th was adopted by the session and was called "Elks Flag Day." The following year, in Dallas, the Grand Lodge approved a ritual for the Flag Day ceremony.

The 1911 Grand Lodge Session at Atlantic City made the observance of Flag Day mandatory for Subordinate Lodges by the adoption of Section 229 of the Statutes: "It shall be the duty of each Subordinate Lodge to hold the service known as "Flag Day Services" at the time and in the manner prescribed by the ritual of the Order.

Later on - at the Grand Lodge Session in Atlantic City in 1930 - there was added to this statute an amendment, reading: "The Grand Exalted Ruler may, in exceptional cases and for good cause, grant a dispensation for a different day or to any two or more Lodges to hold such services jointly."

It was not until August 3rd, 1949 that the President of the United States signed Public Law 203, designating June 14th as Flag Day. Thus, our Order was not only the first fraternal organization to celebrate Flag Day, but had made this ceremony mandatory long years before the date on which the observance became a nation-wide practice by legal decree.

The ritual for the occasion is an elaborate one and it is quite generally conducted as a public ceremonial. It is designed to be informative as well as inspirational; and the colorful pageantry provided lends itself admirably to the achievement of these objectives. It was President Harry S. Truman who signed the Flag Day bill into law on August 3rd, 1949, who was himself an Elk.
