Ryan Souza was well received. Thanks to Uncle Gary and Tom Botelho for the suggestion! October brings a music to our lounge once a month. Please pay attention to signs posted. In Main Hall. There will be a lite menu and best costumes prize. Ticket will be $15.

As a matter of fact, the Lodge Auditing and Accounting Committee is required under our Statutes to conduct a review and make a report to the Lodge concerning its financial condition. Its purpose is to generate discussion as to how to plan for a Lodge’s future, and should be taken seriously. I urge you to make sure your charitable efforts are being properly recorded and reported. For too long there has been a philosophy in many quarters that Elk’s do good works but don’t need the recognition. Well, we do. People take note of the charitable work fraternal organizations do. The Elks have always been recognized as a leader in charitable and benefvolent efforts, but in order to keep that standing we need to document the time and treasure we are contributing. It is estimated that only one to a third of reportable donations and time spent are actually reported. It does a disservice to Elkdom to not provide the best information to allow us to understand our benevolent history.

Message from the Grand Exalted Ruler ROBERT L. DUITSMAN

Don’t be shy to publicize charitable efforts. The Lodge year is now more than half over, so it is a good time to review budget and financial matters. Budgets and financial practices can be revised at any time to reflect changes in circumstances. I want each Lodge to make every effort to maintain a sound financial footing in order to be able to sustain itself for years to come. We owe that to our Members and to our communities.

As a matter of fact, the Lodge Auditing and Accounting Committee is required under our Statutes to conduct a review and make a report to the Lodge concerning its financial condition. Its purpose is to generate discussion as to how to plan for a Lodge’s future, and should be taken seriously. I urge you to make your charitable efforts being properly recorded and reported. For too long there has been a philosophy in many quarters that Elks do good works but don’t need the recognition. Well, we do. People take note of the charitable work fraternal organizations do. The Elks have always been recognized as a leader in charitable and benevolent efforts, but in order to keep that standing we need to document the time and treasure we are contributing.

Recognition of those who are at the forefront of civic life is always something to consider. Special events and award ceremonies are wonderful ways to recognize top fund raisers, elected leaders, and others who would likely welcome a pat on the back. Such events are also good ways to introduce our Lodges to the community, and generate interest in others to become Members.

Remember that October is now Red Ribbon Month, during which activities are held to promote the fight against drug abuse. It is a great opportunity for our Lodges to promote our commitment to combating the scourge of illicit drug abuse.

The Great Heart of Elkdom, the Elks National Foundation, deserves the support of every Member. It is a tremendous vehicle that provides funding for so many programs of the Order, including Hoop Shoot, scholarships, grant programs, and other important undertakings. Some may not be aware, but there is a way for every Member to support the ENF in a fairly painless way: the ENF Fidelity Club. Through it, you can sign up at elks.org to make automatic recurring donations of as little as $5 per month, or $15 per quarter. All of those donations, great or small, will add up to make the ENF even stronger and more capable for the years to come.
