Officers, Members, and Guests:

First of all, I would like to bring you up to date on the special meeting regarding the status of Troy Lodge #141. At the meeting on June 24th, It was voted to reach out to another Lodge to merge. We have reached out to the Brunswick Lodge. If they approve, then we will meet with them to negotiate various items. I will call a special meeting to get approval from our Lodge on the negotiated items.

If everything goes well the merger would take place in September. In the meantime, we will continue to have Bingo on Monday night at 7 P.M. If all this rain was snow we would have over 30 inches of snow! I hope you have been safe and no damage to your Home or property...

David C. Vail, Exalted Ruler

Secretary's Message

Please note: due to the fact that our Lodge meeting in July was postponed to the third week of the month, we will be doing the same thing in August. The August meeting will be on August 19, 2021. We hope that more members will attend.

As we saw in the newsletter for July, the members voted in the meeting of June 24th to look into a merger with another Lodge. This process is being worked on and the membership will be kept up to date as things progress. Keeping it in mind that we may be merging, members should know that if the merger accrues you will automatically become a member of the new Lodge. If we are able to make a merger, members will have an opportunity before the merger accrues to move from Troy by requesting a transfer dimit to another lodge. This can be done by notifying the Secretary of your choice.

Sickness and Distress

In our 11:00 o'clock toast we say: An “Elk is never forgotten”. Each month under Sickness and Distress we will list members who are hospitalized, recuperating at home, or in a nursing home. The names are read at every Elk meeting at the Lodge.

In Memoriam

*In vain we call. They have passed into the
light which is beyond the valley of the
shadow of death. The places that have
known them shall know them no more, but
their virtues are written upon the tablets of
love and memory.*
