2020 Gratitude Grant Awarded to BMAC Food Bank

BMAC Eric Mora and Elks Inner Gaurd Gerald Bieker

Every year the Elks National Foundation opens grants for local Elks lodges to support their community. This year the Walla Walla Elks Lodge #287 applied for the \$2,000.00 Gratitude Grant to assist our community by donating the funds to the Blue Mountain Action Councils (BMAC) Food Bank. These funds will help our community during covid-19 to get food to those who are at high risk, in need and on quarantine.

In May our ENF Coordinator PER Diana Bieker and Inner Guard Gerald Bieker delivered the Check to Eric Mora BMAC Food Bank Coordinator during a Saturday distribution.
