## ELKS BBQ FUNDRAISER

The Elks #322 BBQ was constructed in the 1960's with standard brick and mortar. Over the many years of use by CYOS, Orientations, Vet's Dinners, banquets and fundraisers just to name a few; the BBQ has sustained major structural damage that is no longer repairable. We are proposing to rebuild the BBQ making an attempt to salvage the original iron and replace the pit with new fire brick and cinderblock walls. To fund this major overhaul, we are forming a BBQ committee and plan to sell personalized bricks to commemorate our 125 anniversary of the Lodge. The exact design has yet to be determined but will offer bricks in several sizes and donation amounts so that members may permanently memorialize their commitment to our Lodge.

If you would like to volunteer or have special talents that this project could utilize, please leave your name with our Lodge Secretary.

## FROM THE EXALTED RULER

*David Forrest*

Hello Everyone,

The new Elks year has officially kicked off and in combination with 25% accessibility to the lodge, we are moving in the right direction. Everyone is anticipating State and County COVID guidelines to move in a more permissive direction. With fewer restrictions, we can increase both our fraternal and business activities. Everyone in this year's leadership is focused on opening the Lodge as conditions permit and we are excited about what can be accomplished. On Sunday, April 18, 2021, we had an exceptionally large attendance at the pool. It was a pleasure for me to see you all having fun and to reconnect with those I have not seen in a while. Our Esteemed Loyal Knight, Jenny Dugandzic, has taken over Youth Activities. She is

bringing new energy to the job and has many plans for youth and family programs. On the business side of the Lodge, we are like many of the small businesses that are affected by COVID. As our Lodge works toward becoming a financially robust business, I know we can be, we need volunteers to accomplish this. We are asking for volunteers to support our restaurant operation with food preparation and servers, during peak weekday hours and weekends. To volunteer come in and ask, also be on the lookout for a new "Sign UP Genius."

I would like to give you an update on how our Scouting program is doing. We can take pride in the fact that our program at the Troop level Scout's (11 years to 18 years) persevered through everything that COVID threw at us. In the darkest days, we were forced to work our program virtually. During times with fewer restrictions, the youth scout leadership put together great activities that included hiking, map and compass work, rank achievement, and flag retirements. In anticipation of lifting restrictions, we are registering Troop 322B and Troop 323G for summer camp at Camp Boulder Creek. We cannot attend our traditional summer camp, Camp Oljato, Huntington Lake, CA, because it suffered some fire damage in the fire last summer.

In our Lodge's Scout program, as we returned to normal life, we need to reactivate the Cub Scout Pack (Kindergarten to 11year). Before COVID, Pack 322 provided a Cub Scout program for many boys and girls in the Lodge and the community. The adult leadership that made Pack 322 such a good program is moving to each Troop as their children get older. I am asking for the parents of those Cub age kids to contact Steve Kragenbrink or I to discuss its revival.

I assigned this year's leadership, responsibility for the committees that are statutorily and traditionally required. These committees organize, plan, and execute the charities and services that Elks are known for. Our officers need your help to accomplish these programs. They will be open to any help they can get whether it's one task or chairing committees. If you need help connecting with them, contact me: (760)887-2222 (Not a ROBO Call), email [slo6@verizon.net](mailto:slo6@verizon.net)

## FROM THE BOARD OF TRUSTEES

*Deena Dana*

Welcome to the new elk year. I want to let you know what we have been doing and hope to achieve this upcoming elk year. Last year was a crazy year with COVID-19 disrupting our normal operations. We are thankful to all our members who continued to support us as we ventured into a difficult time. We, as you know, had a flood in the banquet room which resulted in a new floor which extended into the bar and atrium. We also had drive-thru BBQ's Wednesdays and Fridays to help out with members who were not able to come to the Lodge or when the Lodge was closed for dining. This upcoming year we hope to achieve even more! We have a budget that we will continue to make changes as the year progresses. The officers have spent a lot of time trying to present a budget to the members and I am proud of them for all their hard work. We are also hoping to utilize more volunteers to help out with events around the Lodge. We are looking forward to having more activities that the members can participate in. So please look for upcoming events in the Yell. Please do not hesitate to contact me or any other officer with any questions you may have.

Thank you,  
Deena Dana, Chairman of the Board

## LEADING KNIGHT

Nothing to report at this time

## LECTURING KNIGHT

*Shane Bagnall*

As a fraternal organization run largely by volunteers, Committees are a hallmark of Elkdom. Joining a Committee is a great way for new and seasoned Members to help our Lodge and our community. In order to ensure that our Committees are successful, each Lodge Officer has been assigned oversight of two committees. As your new Lecturing Knight, I will be working hard to see that the Americanism Committee and Drug Awareness Committee are healthy, active, and providing beneficial services to our Members and our local community. Additionally, I will continue to be the Chairperson for the Historical Committee. If you have a heart for Americanism, Drug Awareness, Historical, or any of the other Committees, please contact the office and let us know. Whether you would like to be a Committee Chairperson, or a Committee Member that helps out when you can, your volunteerism is greatly appreciated.

-Shane Bagnall, Lecturing Knight & Lodge Historian

## LOYAL KNIGHT

*Jenny Dugandzic*

Greetings my fellow Elks! I am your Esteemed Loyal Knight for the 2020-2021 Elk Year! After serving as the Esteemed Lecturing Knight last year, I am looking forward to taking on new challenges.

One of my favorite activities at our lodge is the Halloween Haunted House! I love observing our youth all working together to produce and execute a fantastic family event. This event brings together our community and youth volunteers to provide a safe, drug-free, and fun-filled event for all ages.

I am so excited to be the Officer in charge of lodge and youth activities this Elks year! I am planning on conducting youth activities at the pool this summer, family movie nights on the lawn, as well as activities for teens, with the intention of promoting family fun and a sense of community. There are multiple adults - only activities and parties in my planner that need YOUR help, ideas, and time. If you have ideas for youth, teen or adult activities and events please feel free to contact me by email [JDugandzic81@gmail.com](mailto:JDugandzic81@gmail.com). Our Lodge's activities and events are only successful because of the time, devotion, and support of our volunteers. If there is an event you would like to see happen at our Lodge, please contact me with your ideas and volunteer your time. Get your fellow Elks involved and I can assure you that the experience of volunteering will be beneficial. Volunteering can increase your self-esteem and confidence, improve your mood and your overall outlook on life. My favorite saying in Elkdom is "Elks Care, Elks Share." I look forward to meeting more of my fellow Elks this year and I cannot wait to see just how much the San Luis Obispo Elks Lodge 322 members will Care and Share the Elk year. See you at the lodge!

# Secretaries Corner

Welcome to the 2021-2022 Elk Year! What a great start to the year we have had already! It has been wonderful to hear the buzz in the lodge during the lunch rush!

We have had over 1400 members already pay their dues. As well, of the 300 members from last elk year that were dropped for non-payment, about a dozen have reinstated. If you know of someone that let their membership lapse, please let them know that they can reinstate with no penalty up until May 31. Please have them contact Jo Ann in the membership office to get their names back on the books.

As summer draws closer, it's always fun to bring your friends to the pool! We want the community to enjoy all that the lodge has to offer. Keep in mind that guests should only be brought to the lodge 3 times. After that, it is your duty as a lodge member to encourage them to become members themselves. Our facilities have quite the Repairs & Maintenance budget each year that is sustained by members' dues. Coming regularly to use the facilities but not being a member isn't really fair to those that pay dues.

Much of the staff at the lodge is now vaccinated. Many of the members coming in to enjoy the facilities are vaccinated. We really hope to see you in the Lodge very soon. Be sure to stop by the office and say hi when you come in!

-Nancy

Hello All,

We are into May now and we are moving forward into orange and right into summer. I hope you have been enjoying our meals and menus we have provided to you, our membership, over the Covid-19 crisis. It has been our pleasure to provide this service to you. I want to acknowledge the "Elbows and Antlers" efforts of our volunteers who have been a vital part our pandemic relief meal program (Dinners to GO). We could not have done any of this without these great volunteers and their crew leaders like Dave Sizendahl, Jami Zurbach, Curtis Ashcraft, and Paul Cappellano.

As we move forward, I'm now asking for weekend warriors and Monday night crews to kick start the summertime fun as we get closer and closer to normality.

On weekends we will need a food runner(s) on Saturdays and Sundays, and two-person grill team for each day also. For the grill team I ask you bring your friend with you as a regular partner to establish a working tempo for your team. If you also have a runner(s) to work that is great too. One or two shifts a month would be a great thing.

The Monday night crews are also starting up again and we are asking all crew leaders and volunteers to come to a meeting Sunday May 2<sup>nd</sup> at 4pm. If you want to do something new or want to revive your old crew menu we hope to see you there.

"The Elks Lodge food is only as good as the LOVE we put into it." With your help our summer can be one of normal and regular fun for everyone.

-Reggie Greenwood  
Kitchen Manager

## ENF NEWS

We Made Per Capita!!!

What does Per Capita mean? The amount of funds Grand Lodge asks each Lodge to raise per member to help support The Elks National Foundation (ENF). Per Capita is \$4.85 per member. This last year we raised \$5.68 per member! We qualify to receive these funds back through The Elks National Foundation via Grants, Scholarships and Community Investment Programs.

A record number of grants were given out last year! In our district alone \$79,000 was granted. Grants are an important part of giving back to our community. We strive to apply and receive every grant available to us by Grand Lodge.

Scholarships and Vocational Grants are an important part of ENF as well. If you know anyone who is a member, child of a member or grandchild of a member please don't hesitate to reach out and apply for any grants that are available. Applications can be submitted online. Please don't hesitate to ask an officer if any help is needed.

Lastly ENF gives every year a portion of the giving to Major Project. Last year we gave 1.2 million dollars.

I personally would like to challenge each of you to participate in the Fidelity Club. This is a recurring donation that you can control online and supports our lodge and future grants.

Please go online to [elks.org](http://elks.org) to find out more! You can also contact me or another officer if you have any questions.

Thank you for your time,

Deena Dana

- **Convenience:** No need to purchase stamps or mail a check. It takes just five minutes to sign up, and you're good to go!

# A COIN A DAY

By Shane Bagnall, Lecturing Knight & Lodge Historian

Following initiation into our Lodge, each new Member is presented with the beloved Purple Pig bank. By filling up the Purple Pig with your pocket change and turning it into the Lodge office, the California-Hawaii Elks Association Major Project, Inc. (CHEMPI) is able to provide important services for children with disabilities. This program is often referred to as the “Major Project” and it has raised over 116 million dollars since it began in 1950. When a coin is inserted, the Purple Pig tips his hat and this is what makes it possible for the Major Project to meet the unmet needs of these children.

Having started in 1950, this program is certainly interesting from a historical perspective, but our focus here will be on the endearing little plastic piggy bank that has become the mascot of this great organization. Invented by Wes-Ko Products of Los Angeles, these banks were advertised as “Action Piggy Banks” that made saving fun. Thanks to vintage packaging and advertising, we know that the pig’s name is “Snooty” and he came in a variety of sizes and colors.

Thanks to an article in the May/June 2018 issue of the California-Hawaii Elk Magazine, we have a historical timeline on the Elks’ use of this bank. Initially, jars with special labels were sent to Lodges in the district for raising funds for Major Project, with the eventual goal of having custom banks provided to each lodge, and eventually each member in the California-Hawaii Elks Association. In 1954, the first order was placed for 110,000 “No. 50 Snooty Jr.” banks which were then sent to Lodges for distribution to Members.

We look forward to future “Purple Pig Roundups,” but you can always bring your full bank into the Lodge office at any time during office hours. Each Member is given credit for their donation to Major Project, and it counts towards our Lodge’s per capita total. Another way to help is by using Amazon Smile for all of your Amazon purchases and selecting the California-Hawaii Elks Association as the recipient. Every little bit helps, and as Snooty says: “A Coin a Day, They’ll Walk, Talk, See and Play!”
