**Message from Grand Exalted Ruler Hidley.**

Helen and I want to wish each of you and your families a very Happy New Year as we welcome in 2023. New Year's Eve is a time when we reflect upon the events of 2022 with our family and friends. It's a time when new resolutions are made regarding yourself, your family, your friends, and Elkdom. The most common resolutions made include exercising more, improving diet habits, saving money, and pursuing career ambitions.

For us, as Elks, I'm hoping that **"Promoting Elkdom With Enthusiasm"** is also added to the list. Why not add becoming more active in your Lodge by working on a committee that will assist with your community image and charitable endeavors?

Another way that the Elks can be **"Promoting Elkdom With Enthusiasm"** is by participating in National Blood Donor Month, which has been observed since January 1970. Organizations such as the American Red Cross and the America's Blood Centers work together during the month to encourage people to donate blood. Perhaps your Lodge can be used as a location. You can save a life by donating blood. This is just another way we as Elks can prove that **"Elks Care – Elks Share."**
