Greetings to My Fellow Lodge Members,

My how time flies when having fun - and indeed we’ve had a lot of fun at the Everett Elks Lodge #479 this year thanks to the excellent Activities Co-Chairs Justin Bailey and Elizabeth Ritchie!

I am so fortunate to have been elected as Exalted Ruler of this Lodge for the 2019-2020 Lodge year, a term that expires at the end of this month. Goals were set a year ago, and with membership help, we have exceeded many of them: Growing our Membership was my #1 Goal. Starting off at 699 members on April 1st, we are now (as of 2/25/20) at 762 members with still one more month to go. We have initiated 90 members and stand a great chance of turning that into over 100 new members! Huge thank you to all members that proposed good quality friends and family members to join our Lodge’s membership! Please keep up the good work and spread the word about our contributions serving the local community and our charities.

I am very proud of all who contributed to Tall Elks (Therapy for Children). We just might end up #1 Lodge for contributions in Washington State thanks to the very generous contributions made this year - just one more month until we know for sure (fingers crossed). Chairperson William A Vincent always excels in leadership for this charity, not only for our Lodge but also as North District Trustee.

ENF is looking good at achieving my personal goal of over $14 per member contribution. Another thank you to all that have contributed to this very worthwhile cause that funds Veterans, Youth/Students and the Community! Chairperson Nancy Wolke is to be commended on raising money, applying for our CIP Grants and assuring we are properly executing the spending and execution of these grants.

On February 8th, I had the pleasure of presenting a $10,000 donation from our Lodge to the Children’s Hospital on Elks Day. It was a very inspirational visit and a streaming video of the event will soon be found on the WSEA (Washington State Elks Association) web-site. There will be a tour held March 5th at 11:30am at the new Seattle Children’s Research Institute: “Building Cure – More Room for More Cures.” See page 4 for further information. Thank you Children’s Hospital (BUCKS) Chairperson Sue Heath! (Continued on page 2)
Congratulations to Jen Steele for winning the January 26th $599 PER Hosted Black Out Bingo and new member Jennifer Ozbun for winning the $10,000 Kings raffle game on February 14th! Jennifer was initiated just the month before - can’t get luckier than that! Talk about luck, congratulations to Nancy Wolke for winning the $500 WSEA Calendar Raffle on the Elks Anniversary. Several other Everett Elks members have won smaller calendar raffle pots as well - it pays to buy the Calendar Raffle tickets! A NEW WINNER DRAWN EVERY DAY!

Coming up in March will be the new Officer Installation on Saturday, March 14th (see page 1 for further info on this). I wish all the new incoming officers a great year and with awesome support from our members, confident they will provide fantastic leadership and roll-models that we will be very proud of.

March 8th will be Putt-Putt Golf - if you haven’t already, sign-up for a time slot with your 017693 team in the Social Quarters. Always a really fun event! Let’s see who takes top honors this year with the winning low scores.

St. Patrick’s Day - Tuesday, March 17 - Vickie and Mel will be cooking up a storm with their traditional Corned Beef and Cabbage dinner. I can hardly wait - it is always very delicious.

I will be hosting Everett Lodge #479 Member Appreciation event on Saturday, March 28th, with entertainment, food and no-host bar. More detailed info yet to come.

**Chaplain’s Corner**
At different times of life and even within a day, we have different areas of personal reflection and focus. Sometimes we just need something to stir us into action. Below is a nice summary of thought-stirrers I came across that one can refer to from Roy T. Bennett, in a The Light in the Heart.

“Don’t Just…
Don’t just learn, experience.
Don’t just read, absorb.
Don’t just change, transform.
Don’t just relate, advocate.
Don’t just promise, prove.
Don’t just criticize, encourage.
Don’t just think, ponder.
Don’t just take, give.
Don’t just see, feel.
Don’t just dream, do.
Don’t just hear, listen.
Don’t just talk, act.
Don’t just tell, show.
Don’t just exist, live.”

Until next month and as spring nears, “may the raindrops fall lightly on your brow. May the soft winds freshen your spirit. May the sunshine brighten your heart. May the burdens of the day rest lightly upon you.” – Irish Blessing for Spring

Danen Barnhart

**Taco Tuesday and $599 Blackout Bingo**
Come and enjoy great food, prepared by volunteer cook, Jeannie Estie, PER, and play Cash Bingo! Last game is always for blackout with a chance to win $599.

**Kitchen News**
Friday Lunches are now bar food selections. Come on in and see what is being served up! Fresh made custom ordered pizza in 3 sizes. Appetizers available too!

**Organ & Tissue Donation Program**

The Elks will be serving breakfast and lunch. Shoreline Elks is teaming up with our Lodge on this event.

Secretary’s Corner
Erin Go Bragh! Yes, March is upon us and so is the most exciting day of the year. St. Patrick’s Day! Irish or not, remember to wear your green and come up to lodge for a green beer! If you are lucky you might spy our lodge leprechaun! We still have 40 delinquent members and in a few weeks they will all be stricken from the records. If you do not have a blue membership card, you are delinquent, PAY UP! You should have all received your dues statement for 2020-2021. Remember our dues are paid in advance and must be paid by April 1. When paying your dues please remember our charities and make a generous donation to the big three: ENF, Elks National Foundation which is the cornerstone of the Elks structure of charity, humanitarianism, and educational programs for the youth of the country. Washington State Elks Therapy Program, the major state program that assists 150 children per day with professional therapy and education to the parents and Children’s Hospital. We are one of the single largest supporters to this wonderful organization in our state. Remember, Elkdom does not stop at the lodge door, it just begins.

“The principles of Charity, Justice, Brotherly Love and Fidelity must guide us with strict faithfulness in the discharge of our duty as members of this lodge and of society.”

Activities Team Celebrates a Successful Year
Hello all,
As we prepare for the new ER we would like to take this time to thank all of you for making all of our lodge activities a smashing success over the past year. Thank you Marge for trusting our judgement 014340 with ideas. From bringing in live music, Saturday night dinners, karaoke, the joint picnic between the Elks and local 32 longshoremen to the Long Acres horse races bus trip to the family Silvertip night, we are rocking it! As we move forward we believe that by expanding our activities team we can still do more…. and on that note we would like to introduce Jessica and Robbie Mumm, Ryan Crowther and Brandy Schroeder to the Activities Team for the 2020-2021 year. There is a direct correlation between a successful lodge and having fun lodge activities, we would like to hear from membership: what other fun activities would you like to see at the lodge? Thanks to all of you who sold tickets, got in the kitchen and donated your time and efforts, your volunteerism is much appreciated.
All the best, The Activities Team

Drug Awareness News

About the Elks National Drug Awareness Program

The Elks National Drug Awareness Program strives to teach all children and parents about the dangers of illegal drug use and prevent the abuse of legalized and prescription drugs. As the largest volunteer drug awareness program in the United States, the program relies on state, district and Lodge volunteers to promote a drug-free lifestyle. By taking pride in America’s communities and youth, the program takes action against youth drug use through education and inspiration.

Taking pride...

...in community

Since 1982, the Elks have developed an effective, community-based drug prevention program by partnering with federal agencies including the Drug Enforcement Agency, Office of National Drug Control Policy, Substance Abuse and Mental Health Services Administration, and national organizations such as Pride Youth Programs. These partnerships ensure the Elks Drug Awareness Program addresses the leading drug abuse issues facing communities today.

...in youth

Elks believe that the youth of today are the leaders of tomorrow. With that in mind, the Elks Drug Awareness Program reaches out to youth of all ages and backgrounds. Through the 2,100 Lodges in communities across the country, Elks work to combat youth substance abuse. Elroy the Elk, the program’s mascot, reminds young kids that hugs are better than drugs, while older kids see the effects of alcohol consumption by wearing fatal vision goggles.

Taking action...

...to educate

Every year, the Elks Drug Awareness Program hands out more than seven million pieces of anti-drug literature to parents, teachers and kids. The brochures are primarily distributed through the program’s 90 drug education trailers, which travel to community gatherings, such as fairs and sporting events. The Elks have also teamed with Marvel Comic Books to produce a book featuring Marvel superheroes and Elroy the Elk in a battle against underage drinking. Other educational materials offered by the program include prevention tools for parents, videos, coloring books, posters and public service announcements.

...to inspire

From a young age, the Drug Awareness Program asks kids to think about what it means to be drug free. Through the program’s annual essay and poster contest, kids can express their feelings on rejecting peer pressure. At events, including Red Ribbon Week ceremonies, Elks and their friends serve as role models who show kids that living drug free is the way to be.

Support Our Vets, Youth and Community!

by Joining the Fidelity Club

Do you donate to the Elks National Foundation (ENF) often? Did you know there’s a club for members who donate monthly or quarterly called the Fidelity Club? The ENF Fidelity Club recognizes giving via automatic, regularly scheduled payments. Eligible 010260 donors have a monthly (minimum $5) or quarterly (minimum $15) payment can automatically be debited from a donor’s bank account or charged to a credit card on a recurring basis. It’s safe, reliable, and allows the ENF to spend less time on administration and more time on our charitable mission. Not to mention, members receive Fidelity Club stickers, pins, and pin attachments depending on their level of giving. Visit enf.elks.org/recurring to enroll today.

Meet Jax!

Jax is one of “OUR KIDS”. He was born prematurely, 14 weeks early, due to his mother having severe pre-eclampsia. He was delivered by C-section weighing 1lb 9oz and was intubated due to respiratory distress. Jax was diagnosed with severe growth retardation (IUGR) and had an extended stay in the Neonatal Intensive Care Unit.

Jax is now chronologically 1 year 8 months old. He is no longer dependent on supplemental oxygen. He is followed by a gastrointestinal physician due to significant feeding issues; he is hypersensitive to having foods in his mouth, with the exception of his bottle of formula. When drinking from his bottle, Jax had swallowing difficulties and had to be positioned on his side. Jax would refuse to take his bottle when outside his home environment, keeping himself and his mother mostly homebound. He would always gag and retch with tiny tastes of solid foods. Due to this, Jax showed very little to no interest in eating and struggled with obtaining proper nutrition and weight gain. Therefore, his Elks Therapist has been working on determining the source of his difficulties and developing very specific therapies to make the entire process of eating easier, nutritional, and more enjoyable for both Jax and his mother.

Jax has severe oral sensory aversion. In this case, his therapist has worked with him and his mother to broaden the amount and types of food Jax will tolerate touching, smelling, tasting, and eventually swallowing by reducing his sensitivities to foods and their textures. He also lacks the skills needed to eat and his therapist has worked to teach him how to control and coordinate chewing, sipping, and swallowing while eating.

His mother, Aunt, and cousin have been instrumental in Jax’s progress with feeding and with improving Jax’s overall eating experiences. They follow through with therapy recommendations, strategies and tactics for addressing negative mealtime behaviors. His family continues to encourage him to eat the new foods introduced during therapy at home and they communicate what he eats during the week, how he acts at mealtime, and how he reacts to foods. Working as a team, both his therapist and family decide which foods to introduce and target during therapy, giving Jax just the right amount of therapy to make progress without feeling overwhelmed.

Jax’s mother is grateful for the help she is getting, in their own home, for her son through the Elks Therapy Program. Many thanks to all the Elks members and friends for supporting the WA Elks Therapy Program for Children.

THANK YOU!!
