 2021 (ELKS CARE – ELKS SHARE) 2022

ER NEWS: Dear Members I would like to give a few brief thoughts this month on housekeeping. Our lodge is your lodge, our golf course is your golf course, let's not forget how to keep what is ours in nice condition its is generally thought, "its's not my job and someone else can clean it". If we all have that thought process things will never get better. I think to much is quickly forgotten how just the smallest help can be greatly appreciated, and when we have the mindset someone else will take care of it how quickly things fall apart.

OFFICE NEWS: We still have several members who haven't paid their second have dues please contact the office.

PRO SHOP

Well, we are right in the middle of winter, and we're just 48 more days till spring as of Feb 1st. Hopefully we'll get some golf days in so we can keep in tune with our game. All the new equipment will be rolling in this month so come out and see what we have. Stay Warm!!

Manager,
 Greg Cox
