From the Cooks: Andy, Spencer + Danny

On May 4th, we will be serving Rib Eye Steaks. We have been serving these steaks for 5 or 6 years now. This is a Friday night & we will eat at 7.

On May 12, we are going to have another Membership Appreciation meal. We will be smoking some Boston Butts & serving some really good BBQ. The meat & buns will be furnished, but there is a signup sheet at the lodge for side dishes. Please call to let us know if you will be coming & if you would like to bring a dish. We had a good crowd at the Fried Fish meal & expect a good crowd again. Please sign up early so we know how much BBQ will be needed.

On May 13, we are going to bring back our Mother's Day Breakfast. Come out & bring mom for a good Sunday morning breakfast. We are asking everyone to call to RSVP so we have enough breakfast for everyone. Come out to enjoy the meal. We will be serving from 9-11am.

May 26th will be Filet Mignon. This is a Saturday night & we will eat at 6. This is the most tender steak that we serve at the lodge. Come out to enjoy a great meal.

Please remember to call in by the Wednesday before on both of the steak nights. We order the steaks on Thursday & don't always have extras. If you want to be sure to get a steak, you need to get your order in early.
