It’s July and another month of the year has gone. I can’t say that the month of June was anything spectacular, but some things did happen. The Lodge got reopened under not necessarily the best conditions. The club room has reopened with all the tables spaced six feet apart, no music and limited menu. At this time members only are allowed in the lodge per Grand Lodge Guidelines. I am hoping these guidelines from Grand Lodge and the State of Colorado will be changing in the near future and things can become as normal as possible. Tuesday evening June 16th, representatives from the Loveland, Fort Collins and Greeley lodges got together to distribute the funds from the CEA for our Friendship night. Representatives from the four charities in our cities were present to accept our donations. The year’s Grand Lodge Convention in Baltimore, MD has been cancelled, thanks to COVID 19, and Grand Lodge Officers will be installed via the internet.

The lodge is again looking for part-time help. We are in need of Kitchen help, waitress, bartenders and custodial help. If you know of anyone that might be interested, please have them contact Julie our Lodge Secretary. The lodge is also looking for more officers. The offices of Loyal Knight, Lecturing Knight, and Esquire are open. Please contact Julie or myself if you can help out filling these positions. The 4th of July is coming soon, I wish our members have a safe and happy holiday.

When COVID 19 restrictions are lifted, please come down with family and friends to support your lodge and have a good time.

ATTENTION LODGE MEMBERS

Covid-19 has changed so much in our world including a lot of things in our Lodge. But the Elks purpose still remains the same.

The Elks purpose is to promote and practice the four cardinal virtues of charity, justice, brotherly love and fidelity; to promote the welfare and enhance the happiness of its members; and to quicken the spirit of American patriotism can cultivate good fellowship.

As we are now slowly opening up, adhering to all the restrictions placed on us by the city, county, state, nation and Grand Lodge, please be patient with the staff and volunteers and remember our purpose.

Everyone has been, and is working hard to maintain our building, carry on the business of the Elks, and start to open as much as we can. As staff comes back to work and volunteers fill the gaps, please be patient and understanding. Things cannot be the same as they were at the beginning of March. We hope they soon will be but until then please come back on Mondays, Wednesdays, Fridays and Saturdays for fellowship with other members. We also have Lodge Meetings the 2nd and 4th Mondays at 7:00 pm.

Remember at this time (as outlined by Grand Lodge guidelines) we are open only for members. Therefore, members are not allowed to bring guests into the Lodge at this time.

Let’s remember to treat each other with brotherly love, be understanding and enjoy fellowship. We are a special organization with a special purpose here in this community.

Benevolent - marked by or disposed to doing good. Someone who is benevolent genuinely wishes other people well.

Message from Secretary

I hope all of you are doing well and managing through this pandemic! We have a half a year left and lots of things to do, so watch out for posted information and emails and new postings in the Bulletin. One thing to remember is we are trying very hard to accommodate the new way of running the Lodge and living life due to COVID 19. Be kind, be warming, be helpful, be a smiling face for someone. If you have any suggestions for the lodge please by all means let us know!

Have a great day and stay safe!
ATTENTION MEMBER’S!

We are still looking to fill the following chairs for the lodge.

- Loyal Knight
- Lecturing Knight
