**Message from the Exalted Ruler, Donn Smith**

My how time can fly! School is back in session, the nights seem a little cooler and the dog days of summer are hopefully behind us.

The Pancake Breakfast was held Saturday August 24th, before the Corn Roast parade. Pancakes, scrambled eggs and sausage were served until 10am. A few of the officers had to skip out on some of the fun and attend the DD clinic in Brighton. We always pick up useful information from Joyce and visiting members from other lodges. Thanks to all the volunteers who make the breakfast a great success.

September will be a busy one for the Lodge. The first Lodge meetings will resume being held twice a month, State Convention will be held the first weekend in September, Lodge Shoot Out tickets will be hitting the streets for purchase. Shoot out tickets are twenty five dollars each and I encourage each member to purchase at least one. The profit from the Shoot Out goes into our Lodge operating fund, which could use a shot in the arm.

September 23rd will be the annual DD visit in our Lodge and initiation will be held for new members. This may be the last initiation held during Lodge meetings. We are considering holding initiation on Saturday nights. This will shorten the wait time for new members while the Lodge is opened and minutes read. Also this will help our Saturday night sales by exposing new members to activities at the Lodge.

September 28th will be the Country and/or Western Dance in the Lodge room from 7 to 11. Allison Draw will be providing music for the event. Tickets are \$15.00 each or buy a table of 8 for \$110. Tickets may be purchased from the Officers, the bar or the office. Put your kickers on and come out for a fun night of dance..

Bowl-a-Thon will be occurring in October. Binky will have a sign-up sheet on the bulletin board soon. We need help this year to recover the Andy Geisler Trophy from Fort Collins.

Come down and support your Lodge. I am no longer the cook and sometimes bottle washer with the addition of Phil Cole to the bar/kitchen staff. Phil did a remarkable job Friday on his first night. Saturday nights at the Lodge are laid back compared to Friday nights. Saturday nights are like sitting home with live music and visiting with friends. Please come down on a Saturday night and check it out.

New Members can give your Lodge a spark

Robert Duitsman GER

The Lodge year is nearly half over, so I hope that Lodges are taking action and making plans that will result in overall success. The best events are the ones that are properly planned and executed, with forethought as to what will be needed in terms of promotion and execution. New ideas should be discussed with open minds to provide more opportunities for Members to enjoy their membership and meet new people. Our new Members bring fresh energy and ideas that should be heard and considered. We need to make them feel like they are an important part of the Lodge, because they are.

In planning events, it often seems that a small group of reliable Members are the ones who do the work, while newer Members feel left out and have no place in the life of their Lodge. Hmm...maybe there's an opportunity here. Consider bringing more Members into your helper network, including new Members, so that everyone can feel invested in the life of their Lodge. One of the biggest reasons we lose Members is because nobody takes an interest in them. If they are invited to be a part of events, they will likely take a stronger interest in their Lodge.

Also, one of the hallmarks of our Order is our service to our communities by getting out and making our communities better places while promoting the Elks brand. I have often said, "If they know you, and they like you, they'll want to be a part of you." By getting involved in community events and undertaking programs and activities that will resonate with your community, everyone wins. A great opportunity is an activity celebrating National Patriotism Week, September 9-15. It is only one of many suggested opportunities included in the Grand Lodge calendar that has been distributed.

Exalted Rulers, you were there for our national convention in St. Louis. You were able to see Elkdom on full display. For too many, "Elkdom" is their Lodge building and whatever is contained within. While that is an important part of the Elks experience, there are other opportunities outside the Lodge, such as district, state, and national events that can enrich Members' understanding of what we are all about. Please share your experiences with Members who were unable to attend so they can better understand what Elkdom encompasses and instill in them greater pride in being part of our fraternity.

Elks HELP during rough year for natural disasters

Grand Lodge Activities Committee By JAMES S. MASON

Disaster Relief Program Natural disasters continue to occur across our nation. The middle of the country experienced a series of tornadoes followed by severe rain storms, resulting in floods that could be seen by all who flew into St. Louis to attend the Grand Lodge Convention. Elsewhere, wildfires burned in the southwest, a 7.1 magnitude hit California, and Hurricane Barry reached Louisiana.

At the first business session of the convention, Grand Secretary Bryan Klatt reviewed the disaster relief fund. He explained what had been received from Members and Lodges during the year and what had been sent to areas which required recovery assistance. The term HELP best stands for "Have Elks Lodges Participate." We should all feel great for what we have accomplished through our generosity.

At another session, Jim Saxton, Exalted Ruler of Paradise, CA Lodge No. 2026 addressed the assembly and told them about what his Lodge is doing to overcome the destruction of its building in Northern California's Camp Fire last November. He thanked everyone on behalf of the Lodge for all the support that they had received, including the almost 400 Members who lost their homes during the fire. The Lodge is currently set up in a temporary facility until a new building is constructed.

Two Lodges in California suffered fire damage in the last few years, losing valuable items such as their charters, citations, and pictures of the Past Exalted Rulers. It is recommended that all Lodges prepare copies of these items and store them in a safe location should the Lodge experience any kind of disaster.

To meet our future funding needs for natural disaster, we encourage all Elks to donate to the Grand Secretary's office in Chicago. Please consider holding a special dinner or other event to meet future needs as they occur. Thank you to all who have made donations.
