Dear Elk Members and Friends;

We are reaching out to ask for your support on this **Cancer Auction & Spaghetti Supper Fundraiser.**

This has been an annual event the Elks here have sponsored for many years in Boonville.

Why not come join us for this event? Gather your friends and families and come join us for a good supper at a great price. Then move upstairs with us to participate in the **Cancer auction** on March 7th, 2020 at the Elks Lodge # 1180.

We lost a warrior in **Wes Posey** this past year and this was one of his passions in raising monies for the **Cancer auction.** We will miss him this year but you know his spirit is still with us in wanting to raise monies for research---let us not let him down.

We will start asking for items very soon to auction off, so let us know if you can help with an item or two.

Call for help getting items to the lodge, 812-897-1180.

You could also write a check to Boonville Elks Lodge # 1180 identifying it for the **Cancer auction.**

So again, you see there are several ways to help. I ask you to participate in some way and let's start now in making this a success.
