E.R Message:

Winter is gone and now it is time for shorts, golf and cook-outs. The euchre league finished up with a banquet last month and the golf league will begin play this Wednesday. Hopefully, the cold temperatures and snow are gone now.

The OEA Spring meeting was held in Dublin this past weekend. Galion Lodge received a Certificate for Honorable mention in the 2017-2018 Grand Lodge All American Lodge Contest "A". Congratulations to all! The new state officers and committee chairmen were installed on Saturday evening.

On Saturday, May 5th, a Kentucky Derby Party will be held in the clubroom. The annual Youth Banquet will be held on Monday, May 7th. A Mother's Day brunch is also in the works. Watch your weekly activities for more details.

Now that the weather is improving, please remember that our bills continue to arrive. Keep supporting the lodge by attending the planned activities or stopping by for a cold one (or two)! Thanks!
 Fraternally, Tim
