Greetings Fellow Elks of Cambridge Lodge 1272

So it appears that Father Time has whisked away another month here at Lodge 1272. I hope you all enjoyed October at your lodge as much as I did. As we bid farewell to October, lets look forward to a great November.

October was a great month here at 1272, with Friday night dinners really growing, and rentals nearly every weekend, the lodge is once again flush with activity. We had an incredible Halloween celebration for all ages. With the trunk or treat, scavenger hunt, and dance; a good time was had by all. Please check your bulletin and email blasts for November happenings.

A special thank you this month to all of the guest chefs that have helped revive Friday nights at the lodge. I know that a lot of work goes into putting that together, and I thank you for all of your efforts. I would also like to thank John "Pop" Knox and Miss Dottie Enders for all of your work handling a month full of bookings and events. Thank you also to all of the people working behind the scenes to make Cambridge Lodge 1272 a great place to be.

On the business front, I would like to welcome our new bartender on staff, Trish "Mom" Knox. She's been working hard to keep us belly up to the bar and cleaning the lodge as well. We had our annual audit and inspection near the end of October, and I would like to thank Rich Loeffler and Kendra Nichols for accompanying me during its process. Great job. We have several visits coming up from State officers in the near future, so keep an eye out for them.

In closing, let me just say how happy I am with the way that things are transpiring at our incredible little lodge. The officers have risen to the call and dug in to push things forward, and the membership has really stepped up to keep us growing. I'm proud to be a part of the success here, and I appreciate you all.

Exaltedly yours, Richy Knox

Bar Bingo—Starting In November

We've got a new event starting on Saturdays in November! We're going to try Bar Bingo—it's easy to play, you can sip your favorite beverages while you play, and you can do it from the comfort of your bar stool, or lounge table. We're going to start at 7 pm on Saturdays. Playing 7 hands, with an 8th "winner take all round". Come on out and join in on the fun!
