Tools for School Program - Supply Drive

The Beverly/Salem Elks Lodge "Tools for School" Program was started in 2015 to provide children from low income families with school supplies. Our goal is to ensure that all students in the City of Salem have the school supplies necessary each year that they need to achieve academic success. In 2015 we were able to provide 30 Salem children with a back pack filled with the school supplies that they are expected to have. Our goal for 2016 is to be able to provide any student in Salem that has a financial need with school supplies.
