GER Robert L. Duitsman’s slogan, Honoring the Past – Embracing the Future was evident on February 22nd when our Lodge recognized its’ Old Timers. Elks that have been members for 25 or more years are affectionately called Old Timers. They are the foundation and underpinnings of our Lodge, and much of the reason we’re here today. Past Exalted Rulers returned to the chairs on this special occasion and performed an honorable Initiation ceremony. After recognizing the Old Timers dedication and service to the order, the Lodge enjoyed a meal together and shared many stories of Elkdom throughout the years. We welcomed our new members; readily eager to exhibit the generosity, comradery and community involvement the Elks are so well known for.

March will be filled with Irish Luck and many thanks. March 14th is the 2nd Annual Basket Raffle; this year immediately followed by an Irish Dinner. Tickets for dinner can be bought at door or in advance. Member Appreciation March 29th will be Potluck (a.k.a. bring a dish to share). At this event, we will recognize the last twelve Elks of the Month; then award Elk of the Year and Officer of the Year. Bingo continues every Tuesday evening; friends and family are always welcome. Pizza Fridays in the Lounge will also be offering Fish for Lent.

As our fraternal year is coming to a close, February Lodge meetings saw the nomination and election of officers for the coming year. What an exciting time for these newly elected officers! We wish them all the best and commit our support to these incoming leaders. We’re confident they will bring our Lodge great success! Thank you for stepping forward and offering us your leadership. All Elks members are welcome to join us on April 4, 2020 for the Installation of Officers.

(Cont.) Karen and I thank you for all that you have done and will achieve for Elkdom. I stand in awe of all you have accomplished! You are, truly, the “Best People On Earth” B.P.O.E.!

Fraternally,
Ford Chambers

Deanna Zuzick

Congratulations Deanna Zuzick, our March Elk of the Month. Deanna’s warm welcoming demeanor helps her easily communicate with others. She has confidently taken the lead as Banquet Manager and generated new ideas that have brought additional revenue to the lodge. Deanna is described as a member that makes ideas come alive. Aside from Banquet Manager responsibilities, she finds time for Bingo Kitchen, Bartending, Soccer Shoot, Hoop Shoot, and fundraising to support Paul C. Galarneau, candidate for New York State Elks Association President. Thank you, Deanna, for all you do to promote the betterment of Elkdom.

Message from our Exalted Ruler Ford Chambers

(Cont.)
Message from our Grand Exalted Ruler

Robert L. Duitsman

March is an exciting month in the life of every Lodge. The installation of officers must be held after March 15 and no later than April 15. This is the time for new leadership to assume responsibility for the governance of the Lodge. A challenge that may exist is the failure to properly train new officers for their duties. Many Lodges have their practices and traditions in some respects, but there are fundamental responsibilities provided in our statutes that all officers should be familiar with. Are you holding an officer training program within the Lodge or district that gives new officers the knowledge and tools to help them do their jobs? Knowing what to do must be learned, and new officers may not know where to look to get the best information.

And please, don’t forget to get your committees appointed and provide committee members with the information they will need to do their jobs. I’ve often thought how helpful it would be for every committee chair to be asked to attend a Lodge meeting every month or at least every quarter to give a report on the activities of the committee. It will provide meeting attendees with updates of committee activities, and it will instill in committee chairs an understanding that the activities of their committees have value and their reports are appreciated.

All eyes are also on Lodge finances. Budget preparation should be underway, with serious thought being given to rightsizing Lodge spending plans to keep them within anticipated receipts. Too often budgets are prepared just because they have to be without serious consideration of what will be needed to maintain long term Lodge viability.

Please take your budgeting responsibilities seriously to make sure your Lodge will remain a welcoming home for your Members for many years to come.

Message from our Secretary

Thomas A. O’Neil, PDDGER

Since my last message to you in the February newsletter, when we had Forty-Nine delinquent members, I have received some responses to date. That being said, there are still Forty-Two members who have not paid their 2019 - 2020 dues. This is the LAST CALL before you are dropped from our roster as outlined in the Grand Lodge statutes. March 26, 2019, is quickly approaching and this is the date that we must drop you from the rolls if your dues are not paid. I for one would not like to see this happen, as many of you have several years of meritorious service to our Lodge and Order.

Please review the list published elsewhere in this newsletter. If I can help in any way with your decision to remain a member in good standing, please call me or e-mail me. By the time you read this newsletter you will have received a dues statement and final notice for 2019 - 2020 along with dues for 2020 - 2021. If you are dropped, you may be reinstated by paying both years’ dues by May 31, 2020, without penalty or additional fees. Membership and membership retention are the very life-blood of our order and the future of Elkdom.

As you read this newsletter you should have received your 2019-2020 dues notice. In February, I will have sent out dues notices to all our members. I have already received several responses. Thank you very much. If anyone did not receive a notice, please let me know. Please note, that dues are supposed to be paid prior to April 1st. When paying your dues please consider the voluntary donations listed on your dues notice. Your donations to the Elks National Foundation, the State Major Project the Lodge Scholarship Fund and the Lodge Building Fund. Your donations help our Lodge achieve our charitable goals and also put aside funds for unbudgeted building repairs, maintenance and equipment replacement. Please contact me if you have any questions.

As you read this message, the members of our Lodge have elected new officers for the 2020 - 2021 Lodge Year. I will publish a listing of those members who have been elected for office in the April newsletter. Why not look them up and offer your assistance in serving on a committee. or better yet, offer to chair the committee. I am sure our Exalted Ruler-Elect would appreciate the assistance as it would make his job and the jobs of all the officers that much easier.

As I have stated many times in the past, if anyone knows of a member who may be incapacitated for any reason that we are unaware of, please contact me with the details. These calls will be kept in the strictest confidence. First and foremost, we should assist our own members who may be in need, before anyone else, exemplifying the motto, “ELKS CARE - ELKS SHARE”.

Sincerely and Fraternally,
Thomas A. O’Neil, PDDGER

I want to say thank you to Laure Harrington; Barbara McBride and Dan McBride for volunteering to distribute ice cream to the Veterans and Staff at the VA Hospital on February 22. We are finally back on a normal rotation at the VA and it’s so nice to have a solid collection of Elk Member volunteers who can step up and go when there are numerous things going on a given day, like the Initiation of New Members on February 22. I can’t thank them all enough for taking the day! Looking forward, our next day at the VA is Sunday April 26. If anyone would like to volunteer for that day, please reach out to me so I can set up a team. Thank you to all who help us make a strong presence at the VA.

On January 25, I had the exciting task of delivering new children’s books, with District Deputy Carmella Gillis, to the USO in Fort Drum. The USO stocks the Bob Hope Legacy Reading Program Room with new children’s books and has a reading program that provides the supplies and space for soldiers to come and make a recording of them reading a book, and once they have left for deployment or training, they send the book and recording to their little loves ones. Donating books to this is extremely simple. Any new children’s books they receive are put in the shelves for the soldiers to use. The only requirement are that the books are new. Although not a requirement, they do like getting multiple copies of the same book so multiple soldiers can read it. Each of the eight Lodges in the Northeast District donated funds to assist in purchasing the 250 books that Justine and Carmella delivered.

As you will also see in the Drug Awareness report from Linda DeVito, the Talk Saves Lives seminar on January 29 was well attended and it was nice to have interaction and questions, between the presenters and the attendees. As I mentioned in previous newsletters, suicide is a rising concern, not just with Veterans but with people of all ages and all lifestyles all around the world. The numbers are alarming, and if we stay alerts and pay attention to those around us, maybe we can make a difference in just one person’s life. A huge thank you to Lynn Keyes and Sandra Goldmeer (Area Director, Capital Region NY) both from the American Foundation for Suicide Prevention. They brought handouts to go along with their presentation.

Elks pledge “So long as there are veterans, the Benevolent and Protective Order of Elks will never forget them.”

What’s been going on at the Lodge?

January 25th the Lodge hosted a Chili Cook Off! Congratulations to winners Glenn Law & Dave Wells!

On January 29th the Lodge hosted Talk Saves Lives to help with Suicide Prevention.

On February 2nd the Lodge hosted a luncheon for the contestants of the Elks New York Regional Hoop Shoot where the winners received their trophies. Congratulations to all!!
Games of Chance

New York State Lottery’s Quick Draw is our new addition to our games of chance. While you’re at the Lodge have a cocktail and play a game or two.

I attended the Talk Saves Lives seminar on January 29th, and it was a very powerful program presented by the American Foundation for Suicide Prevention. It was attended by Elk members, Community Members and Local Law Enforcement. It was nice to see a representative from Mechanicville and Stillwater police departments. It was a well done presentation and so important to spread awareness.

Linda DeVito – Lodge Chair

As we all know, the Bell Jar Games are big money makers for the Lodge. We run them every Tuesday at Bingo and every day in the Lounge. At Bingo we run $1.00, $0.50 and $0.25 games with prizes ranging from free tickets to $300.00. Special games for $1.00 with prizes from free tickets to free TVs.

In the Lounge, our tickets are purchased from a machine at a cost of $1.00 each with five (5) tab tickets being sold. Prizes range from free tickets to $300.00. The special games sold at Bingo are also sold in the Lounge.

Milo Jose, PER, Chair

Our Bingo programs are running strong as usual and the new games started in January are very popular with our patrons. At our January lodge meeting a motion was made; it was voted on and passed that the bottle and can returns from Bingo nights and the 50/50 proceeds for February and March, are being donated to the Pearl Harbor Memorial Restoration Fundraiser. It’s so nice to see our programs supporting other Elk causes.
