**ONTARIO ELKS**  
**MEMBERS**

This goes out to each special person who has given up their precious their time to help support the lodge in any way they can. There are many of you who have helped this lodge reach the heights we have attained, and I can't thank you enough. You all have made this year the success that it is.

Thank you all so very much.

**KELLY**  
**BONSER**

Kelly has been volunteering for Bingo since its return after covid. Kelly recently took over the responsibility of running the Bingo room, where she organizes the games we play each week, does all the purchasing, sells at the window and makes sure all payouts are provided and the money accounted for. Kelly has made the Bingo event more fun. She has given out more door prizes and proposed a special dinner for the players after new year's, which was well received. Kelly is also one of our no-frills volunteers. She always has a smile on her face and treats all equally. Thank you, Kelly.

**JERRY**  
**BOGACZYK**

You may not see Jerry in front of the scene, but he's always behind the scenes. Jerry has been the chairperson for drug awareness for many years. He recently had a booth at Seeds of Joy handing out materials to help awareness. Jerry has been the person in charge of updating our memorial book each year that is in our lodge room. Jerry also attends most new member orientation, providing information on our lodge. Thank you, Jerry.
