Elk of the Month*

**STEVE
LACEY**

This month I have selected Steve Lacey as Elk of the Month. Steve has been there to help with Bingo just about every week and he has spent a lot of time in our Homers Follies room hanging T.V.'s and helping get it ready for a few upcoming party rentals. Steve was also involved in starting the process of getting our old air handler unit taken apart along with so much more. Thank you Steve for all your help and Congratulations on being selected Elk of the Month.
