FROM EXALTED RULER

Dear Greybull Elks Lodge #1431 members,

I hope this letter finds you and your families safe and sound as we proceed through this unprecedented event that the Covid-19 virus has brought to us and our world.

As I assume you, like myself, are anxiously awaiting the lifting of restrictions that will allow us to once again gather as a lodge. We have missed out on activities and other functions that support the “Caring & Sharing” motto of the all Elks lodges, but also the financial support these events offer as well.

We have yet to elect new officer chairs and appoint trustees within the lodge due to the quarantine. We will accomplish this as soon as we able to proceed forward. If there are any members of Lodge #1431 that are interested in taking a position please contact us and we will let you know what openings are available.

We are excited to once again meet to continue to conduct business that is necessary for our lodge and club. We are ready to get back to the business of maintaining a healthy and strong Greybull Elks Lodge. Greybull Elks Lodge #1431 has a lot to accomplish and prepare for as the fall months will be here before we know it. It is my hope that things will improve in the months to come and that our lives will resume as much as normal and as an American society this event that has affected us all will make us stronger and better.

“Never let your head hang down. Never give up and sit down and grieve. Find another way. And don’t pray when it rains if you don’t pray when the sun shines.”– **Leroy Satchel Paige**

Thank you for your continued support of Greybull Elks Lodge #1431

Jeff Sukut

Greybull Elks Lodge #1431 Exalted Ruler-Elect

A Message from Grand Exalted Ruler Robert L. Duitsman

All,

Various Local Lodges are requesting information pertaining to being open or closed. As a reminder, Local Subordinate Lodges are Chartered under the 501(c)(8) umbrella of the Grand Lodge and governed by the Constitution, Statutes and Laws of the Order.

The day to day operations are overseen by the Lodge Officers, the House Committee and membership as governed by said Constitution, Statutes and Laws of the Order as well as complying with local, county, state and federal laws, executive orders, mandates, rules and ordinances. Of which, most are different for each Lodge or Lodge location. In instances of this nature, Local Lodges must also comply with any local, county, state and federal public health mandates, directives and announcements as well as using common sense during these trying times.

Attached are suggested recommendations (<https://www.elks.org/members/NewsStory.cfm?StoryID=122184>) for the Local Lodges to follow and offer guidance on other items. **For further guidance, assistance and direction, please contact your State Sponsor.**

Grand Lodge hopes each Local Lodge and State Association has implemented the following CDC guidelines on practical ways to prevent the spread of infection:

1. No shaking hands, hugging, knuckle bumps or high fives.
2. Keep a safe distance from others. Six feet when possible.
3. Wash hands often with soap and water for at least 20 seconds.
4. No soap? Use hand sanitizer (60–95% alcohol based).
5. Avoid touching your face, eyes, nose, and mouth.
6. Cover your cough or sneeze into the bend of your elbow or a tissue, then throw the tissue in the trash.

Stay home when you are sick and avoid close contact with people who are sick. Encourage others to do the same.

We all need to keep in mind that the health of our Members, spouses, significant others, friends, volunteers and employees is paramount. Let's be vigilant in our efforts to keep one another healthy!

Fraternally and sincerely,

Robert L. Duitsman, Grand Exalted Ruler
