

## Sebring Elks Support the 7<sup>th</sup> Annual Bike Rodeo

On May 4, 2024, the City of Sebring held their 7th Annual Bike Rodeo & Splash Day which was hosted by the Sebring Fire Department, the Sebring Police Department, and the City of Sebring. During the month of April, the Sebring Elks Lodge #1529 collected new bikes and monetary donations to assist with this event. The first year the city held this event the Sebring Elks donated 12 bicycles. This year we were able to donate 49 bicycles. This was possible due to the generous donations from our Sebring Elk Members, Charity Bingo Members and our Friday night band crowd that came to see Rick Arnold. The event was a success and gave the children in the community not only an opportunity to own a new bike, but to also have some fun in the sun. The Sebring Elks look forward to continuing to support this great event for our community.
