

Sharing Americanism on Flag Day

On Friday, June 14, 2024, Sebring Lodge #1529 recognized two students and their teachers during the Elk's Flag Day Celebration. Both students read essays on "What the Bill of Rights Means to Me" as part of our Americanism program. Sixth grade teacher Tammy Goins presented her student, Lucia Guillen; and eighth grade teacher Tammy Williams presented her student, Garrett Bihl.

The students shared their Americanism essays with the "standing room only" crowd present for Flag Day, and then were awarded checks from the State Elk's Association in appreciation for their great job. Both teachers were also awarded checks from the Sebring Lodge. Our congratulations to both teachers for encouraging their students to be the best!
