

## Sebring Elks Support Hands for the Homeless

On Thursday, September 22, 2022, the Sebring Elks #1529 delivered 15 boxes of canned goods and nonperishable food items to the Hands for the Homeless Program in Avon Park, Florida. The Lodge has been partnering with this program for over a year as it helps alleviate food insecurities within the community. The bulk of items collected have been donated by players of the Lodge's Monday night Charity Bingo players. Pictured with Loyal Knight Diane Morse is Tammy Figuero, the Hands for Homeless Communication Coordinator who estimates that the donation will be enough to meet the needs of 86 clients in the food assistance program. Also pictured loading the food for delivery are Inner Guard Buddy Richards and Exalted Ruler Jonathan Spiegel.
