

Sebring Elks Shrimp Boil and Mason's Goodbye

On Saturday, February 24, the Sebring Elks #1529 had an end of the lodge year celebration with a Shrimp Boil. What a successful event; great food, beautiful decorations, and wonderful music by "Trip Wire". The two bars were hopping - one inside and one outside.

It also was a special night in that Jim and Ronna Mason were recognized for their years of Elkdom at #1529. They want everyone to know that they received more from the Lodge than they gave--lifelong friendships, good times, and a sense of community accomplishments. They will be moving to Oklahoma City in March with their son & daughter-in-law (Donnie & Shelly) but have promised to visit. The Sebring Elks will miss them very, very much!
