

Sebring Elks Support Hands for the Homeless

The Sebring Elks #1529 once again participated in the "Feeding Tampa Bay" mobile program at the Hands for Homeless in Avon Park. On Saturday, February 17, 2024, members of the Lodge and one guest sorted food to be distributed to the needy in this area which is done twice a month. Cars line up early in the morning and food items such as fresh fruit, vegetables, bread and protein are boxed up and placed in the trunk. "The impact is that 1,016 meals reach 212 children and 448 adults in every distribution." This statistic is provided by The Hands for Homeless Executive Director, Jane Breylinger.
