

Sebring Elks on Veterans Day

The Veterans Council of Highlands County honored our veterans with a parade and a "day of events". Vendors, bands, JROTC color guards, and local organizations were in attendance at the Fireman's Field. Sebring Elks veteran, Bert Horwitz, rode in a convertible, along with Trustee Ron Schilffarth. The driver/owner was Elk member Bob Alley. Brenda Walton, the Lodge Veterans Chairman was busy with the Elks tent where she had brochures, pictures of charity events, as well as applications available. Pictured with Brenda are two unnamed visitors.
